## **CHAIRPERSON MESSAGE**

"Education is the greatest weapon you have at your disposal to change this world. “- Nelson Mandela

By the time world was coping with the severe challenges of the global pandemic outbreak, we promptly adjusted our plan to sustain our vision of learning improvement. The adaptation of virtual platforms for availing education continued with the maintenance of our tradition of high academic standards.

Whether it is through innovation or obstinate obstacle, or by working together, we have surpassed all the challenges and achieved the best possible. Together, we have made our achievements realized, despite all the inherent difficulties and the persistent desire for perfection.

While having brighter time in the future makes me more robust , I am stimulated by the power that is buried within our college community. This will be your passion and stamina that will advance Madhav University to a respectable forefront.

With heartfelt gratitude,

Prof. Raj Kumar

## **PRESIDENT MESSAGE**

Distinguished Members of the Madhav University Community. This academic year 2020-21 I feel a great sense of pride in how university has managed to sail in one of the roughest periods of our history. The bravery, perseverance, and innovation displayed by each one of you have not merely kept us going but rather taken us to new heights in the middle of the global pandemic.

This year, we took obstacles and flipped them into opportunities by adapting our learning methods to virtual platforms, conducting critical research that has improved our understanding of the virus, and reaffirming our dedication to excellence. The faculty of our university quickly adjusted to the new instruction model, preserving the tradition of high quality instructionality which is characteristic of Madhav University. Our learners were amazingly versatile and they maintained education despite overwhelming obstacles. Together, we mastered the art of teamwork and flexibility - skills we will use to tackle the challenges ahead. It has become evident that even during difficult periods, Madhav University remains as a symbol of the knowledge, innovation, and the human spirit. I look forward to the next academic year with the conviction that we will continue our successful work and overcome the new challenges with our renewed energy. Let us embrace the future with confidence and continue to undertake the journey of learning, development, and the achievement of independence.

Be safe as well as strive for greatness.

- Prof. Sanjiv Kaliya

## **VISION & MISSION**

### **VISION**

To establish a learning centre of academic and professional excellence at a global level for fulfilling the social, technological, business and well-being needs of the society.

### **MISSION**

University stands for academic, professional and ethical empowerment of the youths, the rural youths in particular, by using the state-of-art technology/systems, time tested and innovative concepts, excellent infrastructure and internationally acclaimed facilitators. It disseminates quality education in multi disciplinary branches with special emphasis on research.

## Madhav University in Brief (2020-21)

MU has been promoted by the Manav Bharti Foundation. Dr. Raj Kumar is the Chairman of the trust and is dedicated for the upliftment of the society for the last one decade. MU is located in the rural back drop tribal belt of Rajasthan at “Madhav Hills” Opp. Banas River Bridge on N.H.-27 at village Bharja in District Sirohi, Rajasthan.

MU was endorsed to advance and disseminate knowledge and maintain the highest standard of learning through teaching, research, extension education program and conceptual aspects relevant to the needs of society. The university is committed to bring about an all-round social transformation through the spread of quality education in the rural area.

Madhav University stands for academic, professional and ethical empowerment of the youth, specially in tribal area, by using the state of art technology/systems, time tested and innovative concepts, excellent infrastructure and internationally acclaimed facilitators. It disseminates quality education in multidisciplinary branches with special emphasis on research.

The vision of the University is to establish a learning centre of academic and professional excellence at a global level for fulfilling the social, technological, business and well being needs of the society.

Presently University is offering Diploma, UG, PG and Ph D programs Faculty of Engineering And Technology, Faculty of Law, Faculty of Pharmacy, Faculty of Agriculture, Faculty of Commerce And Management, Faculty of Education, Faculty of Homoeopathy, Faculty of Allied Health Science, Faculty of Art And Science, Faculty of Naturopathy And Yoga.

University courses are prior approved from the concerned regulatory bodies. Law courses are approved from the Bar Council of India; Pharmacy courses are approved from the Pharmacy council of India. Education & Physical Education courses are approved from the NCTE and ITI courses are approved from the NCVT. University is planning to start BHMS & BAMS courses with effect from the academic session 2018-19 and final permission is awaited from concerned council. The admission policy has been designed in accordance with the State Government /Regulatory Bodies rules.

The University has focused to meet the need and requirements of job-oriented education and facilities to the down trodden strata and rural youth of the Society with an emphasis on women in the region. During this short span, the University has constructed sufficient infrastructure etc to meet the academic requirements such as class-rooms, practical laboratories and Engineering workshops. Infrastructure has been created, keeping in mind the regulatory body's requirements. Qualified faculty and experienced administrative staff have been appointed in the University. In the University more than 500 (Teaching & Non- Teaching Staff members) are employed.

Madhav University is offering quality education to the students by giving them a learning experience designed in a manner that would develop their intellectual abilities, as well as social, moral and ethical values. The University is equipping its students with the skills, insights, attitudes and practical experience that will enable them to become outstanding citizens.

The access to Internet and optimal use of Information Technology by all the faculty members and students have been provided with more than 500 nodes/internet connection points (including Wi-Fi points) in University. The University Library is having 65000 books in various subjects and have subscription of National & International Journals of repute. The University library has been facilitated with online journals and software. Thirty computers have been installed as e-library. Computer Centre has been offering short-term awareness programmes for the Teaching Faculty and Non-Teaching Staff free of cost. These courses have been very useful for encouraging the Faculty, Staff and Scholars to make an effective use of Computer Information Technology and other supporting services. The University is having its own Website to host all type of University information forms and other events etc. on the University Website for student's convenience.

The University has been doing its best to update its existing courses, start new courses, undertake research projects and initiate new policies to meet the new challenges emerging from rapidly changing technological, socio-economic and education environment. The University has provided hostel accommodation with all facilities to the boy and girl students. All the hostels have full security provisions and anti-ragging measures. The University has been running Ayurvedic and Homoeopathy Hospitals & with medical facilities along with ambulance for emergency for the last 3 years.

The University has constituted training and placement cell which keeps a close liaison with Industry Sector and reputed firms, and invites senior faculties from various industries for close interface and campus recruitment.

To facilitate overall development of the students, Gym Facility equipped with latest and sophisticated equipment, yoga centre and Indoor-Outdoor games facilities have been provided. The University has a playground, and an in-house high standard sports activities. In addition of above,

The students are involved in several extra-curricular activities such as participation in the Swachh Bharat Abhiyan, the activities being carried out by the coordinators, NSS Units I & II. The students participate in the National level sports competitions organized by the Association of Indian Universities. Prior to start of the session, students interaction is done by arranging introductory parties in the Departments. University celebrates the University Foundation Day on 25th September and organize Youth Festival. In the Youth Festival students participate actively and their Talent is judged by the team of Judges appointed for the purpose. To update the knowledge of the students' debate competitions/seminars/workshops are arranged. Distinguished teachers are invited for special talks.

## YEAR 2020 UNDER PERIOD OF THE REPORT

Out of the period under report, the year 2020 has been full of great challenges and remarkable achievements for Madhav University. The University responded swiftly to the challenges posed by Covid-19 pandemic by addressing all the safety measures for our students, teaching and non-teaching staff. The university transitioned from classroom teaching to the online mode seamlessly with total commitment from faculty, students and the administration. Despite all these challenges, that the being under self financing without any help from any sources, the University continued to strive towards the achievement of academic excellence in spite of paucity of funds/other reasons and demonstrated that it remains as committed as ever to the creation of a good academic environment. of the University. The University has been dedicated to the commitment of all its university partners, to set its new records by certifying its excellence in the field of teaching and research. The University has been planning continuously for accreditation from NAAC. But due to this unwarranted situation in the start of the year 2020, the idea was postponed for some time. With University's commitment to its academic endeavours, the collegiality of the staff and the passion and loyalty of the students are striving to further enhance our image as a University of choice for the region's brightest students.

**Prof. Sanjiv Kalia**  
PRESIDENT,  
Madhav University, Pindwara(Sirohi)

## Training and Placement Cell

Training and Placement Cell is an integral part of the University. University has provided sufficient infrastructural facilities for effective functioning of the Cell. The Training activities are organized throughout the year in an effort towards preparing the prospective students for the campus selection programmes. The cell keeps a close liaison with the industrial sector and reputed firms and invites senior and experienced HR personnel from various industrial houses for close interface and campus recruitment. The cell is sensitized to function all through the year towards generating placement and training opportunities for the students. Reputed industrial houses across the country visit the University regularly for the campus recruitment programmes. The placement cell coordinates quite well with the corporate sector and provides well-developed infrastructure to facilitate the campus selection programmes. The cell maintains a very cordial relationship with all the industries and also prepares the candidates to face the competitive world.

### Our Recruiters

- COGENT E-SERVICE PVT. LTD.
- DIGICALL
- ESSILINE
- PK INDUSTRIES
- GURUNANAK INDUSTRIES
- EDGE TELECOM

## INCOME/EXPENDITURE STATEMENT (2020-2021)
