UN Sustainable Development Goals

17 Sustainable Development Goals

Aiming to “Transform the World,” the United Nations introduced 17 Sustainable Development Goals (SDGs) to guide all nations toward building a healthier and progressive future for everyone on the planet.

Chairman's Message

Madhav University and the UN Sustainable Development Goals

The United Nations Sustainable Development Goals (SDGs) offer a global blueprint for peace, prosperity, and the protection of our planet. At Madhav University, we fully embrace this vision and are committed to driving positive change through inclusive education, social responsibility, and sustainable innovation.

Through the Madhav Centre for Sustainability Development (MCSD), we strive to implement these global goals at the grassroots level. Situated in the tribal heartland of Rajasthan, our mission goes beyond academic excellence—we aim to empower communities, promote good health and well-being, ensure quality education for all, and foster environmental sustainability. These goals are not just ideals; they are actions we integrate into every facet of university life.

Together, as educators, students, and changemakers, we stand united with the global community in building a more equitable, resilient, and sustainable future for everyone, everywhere.

Prof. (Dr.) Rajkumar Rana
Chairman
Madhav University

Madhav Centre for Sustainability Development (MCSD)

Sensitize. Sustain. Serve.

At Madhav University, located in the tribal heartland of Sirohi, Rajasthan, we believe that true education goes beyond classrooms—it must uplift communities and contribute to sustainable development. Guided by the core principles of the United Nations Sustainable Development Goals (SDGs) and rooted in the values of People, Planet, Prosperity, Peace, and Partnership, we have established the Madhav Centre for Sustainability Development (MCSD) as a dedicated platform for driving transformative change.

MCSD focuses on nine key SDGs that align closely with the university's mission: No Poverty, Zero Hunger, Good Health and Well-being, Quality Education, Gender Equality, Industry, Innovation, and Infrastructure, Reduced Inequalities, Climate Action, and Life on Land.

In our tribal and rural setting, Madhav University has made equity and accessibility central to its vision. We actively support Quality Education through scholarships and fee waivers for students from disadvantaged backgrounds, ensuring that financial limitations do not obstruct academic opportunity. For children with special needs enrolled in our Special Education School, we provide free transportation—recognizing the importance of inclusive infrastructure and support systems.

To address Good Health and Well-being, the university regularly conducts free health camps and awareness programs, focusing on preventive care, hygiene, mental health, and community wellness. These are complemented by rallies and community outreach efforts that advocate for better health and social inclusion.

Tackling Zero Hunger, we provide free meals once a week to support students who may face food insecurity, reinforcing our belief that no one should go hungry in the pursuit of learning. Our efforts also extend to raising awareness about nutrition and sustainable agriculture, especially relevant in our agrarian and tribal surroundings.

In our commitment to grassroots engagement, Madhav University has adopted six villages— Wada, Bharja, Bhujela, Kasindra, Amthala, and Achpura—where we conduct regular health camps, educational activities, and development programs to uplift and empower rural populations through sustained, community-driven initiatives.

Our environmental initiatives are rooted in action-oriented learning. Through tree plantation drives, eco-awareness programs, and campus sustainability efforts, we actively promote Climate Action and care for Life on Land. The campus itself is being developed with environmental consciousness, incorporating green practices that reflect our commitment to sustainability.

With the launch of MCSD, Madhav University has formally taken up the responsibility to integrate these nine SDGs into all aspects of university life. By doing so, we empower students to become not just learners, but leaders—ready to address real-world challenges with knowledge, empathy, and purpose.

At Madhav University, sustainability is not just an ideal—it is a continuous commitment to build a just, inclusive, and empowered future, especially for the marginalized and underserved communities we proudly serve.

Vision

To become a transformative hub for sustainable development through inclusive education, innovative research, and community-centered solutions, contributing meaningfully to the realization of the United Nations Sustainable Development Goals (SDGs) at local, national, and global levels.

Mission

The mission of the Madhav Center for Sustainability Development is to promote awareness, education, and action towards sustainable development through inclusive learning, research, and community engagement. The center aims to equip students, faculty, and communities with the knowledge and skills needed to support the United Nations Sustainable Development Goals (SDGs). By encouraging innovation, ethical values, and collaboration, the center strives to contribute to a healthier, more equitable, and environmentally responsible future for all.

United Nations Goal No: 4

Quality Education

At Madhav University, through the Madhav Centre for Sustainability Development (MCSD), we are deeply committed to advancing the United Nations Sustainable Development Goal 4 “Quality Education” by making learning inclusive, equitable, and accessible to all, especially in tribal and rural areas surrounding the Sirohi region. Our vision of education extends beyond classrooms, it is about nurturing holistic development, building futures, and empowering communities.

Through targeted interventions and outreach efforts, MCSD brings educational resources, guidance, and opportunities to underserved populations:

- **Equitable Quality Education:** We strive to ensure that every child and youth, regardless of socio-economic status, has access to a quality education. Our academic programs are tailored to meet diverse learning needs, with a strong emphasis on inclusivity and community engagement.
- **Career Counselling Workshops:** We organize career counseling sessions for school students in tribal and rural regions as well as for our own university students. These workshops are conducted both on campus and in nearby schools, where our faculty visit regularly to engage with students directly. We also invite school students from surrounding villages to Madhav University to participate in interactive career guidance programs. These initiatives help students explore academic and vocational pathways based on their interests, aptitudes, and future opportunities, thereby fostering informed decision-making and broadening their aspirations.
- **Personality Development Sessions:** Recognizing the importance of soft skills and personal growth, we conduct regular personality development workshops on campus as well as in tribal schools, equipping students with confidence, communication skills, and leadership qualities.
- **Free Stationery Distribution:** Educational materials such as notebooks, pens, and basic supplies are distributed free of cost to students in underserved areas, helping to eliminate small but significant obstacles that hinder academic participation.
- **NEP Implementation:** We actively implement the principles of India’s National Education Policy (NEP), focusing on holistic, multidisciplinary learning, skill-based education, and fostering critical thinking and creativity among students.
- **Regular Industry-Academia Meets:** By organizing regular interactions between academia and industry professionals, we expose students to real-world scenarios, bridging the gap between theoretical knowledge and practical application.
- **Promotion of Research & Innovation:** MCSD encourages a research-driven academic culture by promoting innovation among faculty and students. Workshops, seminars, and funding support are provided to nurture new ideas, particularly those that address local community challenges.

- Scholarships Provided to Students: Merit-based and need-based scholarships are offered to deserving students, making higher education more attainable for those from financially challenged backgrounds.

Through these focused efforts, MCSD reaffirms its belief that quality education is the foundation of sustainable development. At Madhav University, we are not only educating minds but also shaping futures by building a learning ecosystem that reaches deep into tribal villages and empowers every learner to thrive, lead, and contribute meaningfully to society.

Activity Report

Name of the activity: An Awareness Program on Thyroid Disorders

Organized by: NSS Unit, Madhav Homoeopathic Medical College and Hospital, Faculty of Allied Health Sciences,

Date: 05/08/2023

Place of the activity: Kiwarli village

No. of students participated: 31

No. of Teachers participated: 4

Beneficiaries: Local Community

Activity Coordinator: Dr. Shailendra Singh, Dr. Pratiksha Singh

Activity Objectives: The awareness program on thyroid disorders at Wada village aims to educate the community about the prevalence, symptoms, risk factors, and management of thyroid disorders. The program seeks to raise awareness about the importance of thyroid health, early detection, and seeking timely medical care. It aims to dispel myths and misconceptions surrounding thyroid disorders and provide accurate information to empower individuals to take control of their health. Additionally, the program aims to facilitate access to screening tests for thyroid disorders, offer guidance on healthy lifestyle practices to support thyroid health, and foster community engagement to promote overall well-being.

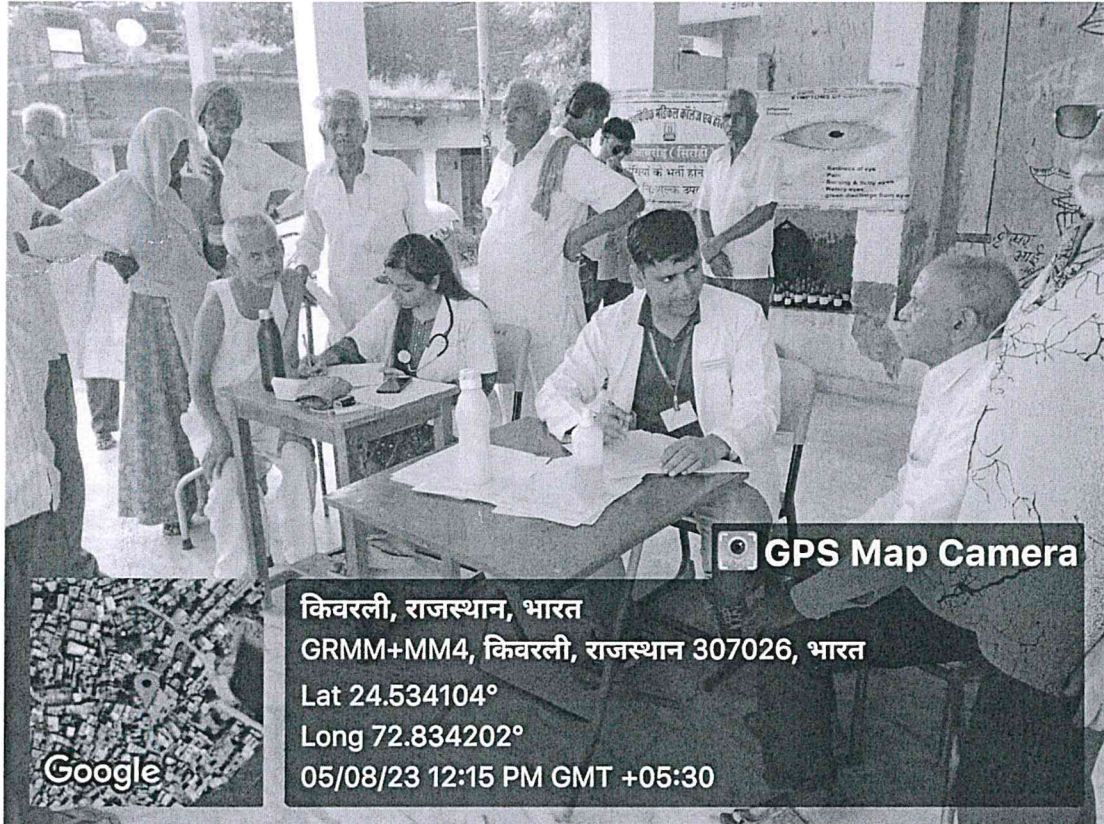

Activity Outcomes: The outcomes of the awareness program on thyroid disorders at Wada village include heightened awareness and understanding among community members regarding thyroid disorders, their symptoms, and risk factors. Participants are equipped with knowledge about the importance of early detection and seeking medical assistance for thyroid-related concerns. The program contributes to dispelling myths and misconceptions surrounding thyroid disorders, fostering a supportive environment for individuals affected by the condition. Additionally, the program's provision of screening tests facilitates early detection and intervention, leading to improved health outcomes.

Activity Report

Name of the activity: Har Ghar Tiranga - To Promote Patriotism and National Unity among Citizens

Organized by: NSS UNIT & Faculty of Humanities and Social Sciences

Date: 14/08/2023

Place of the activity: Aburoad

No. of students participated: 30

No. of Teachers participated: 5

Beneficiaries: Local Community

Activity Coordinator: Dr. Renuka, Dr Sangeeta Singh

Activity Objectives: The objectives of "Har ghar tiranga - To promote Patriotism and National Unity among Citizens" are to instill a sense of patriotism and national pride in every household, fostering a stronger sense of national identity and unity. The program aims to encourage citizens to proudly display the Indian flag (Tiranga) at their homes as a symbol of respect for the nation and its values. Additionally, it seeks to promote a spirit of inclusivity and solidarity among diverse communities, emphasizing the shared heritage and values that unite all citizens.

Activity Outcomes: The outcomes of "Har ghar tiranga - To promote Patriotism and National Unity among Citizens" include heightened patriotism and national pride among citizens, evidenced by increased display of the Indian flag (Tiranga) at households. The program fosters a stronger sense of national identity and unity, transcending cultural, religious, and regional differences. It promotes inclusivity and solidarity among communities, strengthening social cohesion and harmony. Additionally, the program inspires acts of civic responsibility and engagement, leading to a more active participation of citizens in nation-building activities.

Activity Report

Name of the activity: Knowledge for All: Educational Items Distribution Campaign

Organized by: NSS UNIT & Faculty of Humanities and Social Sciences

Date: 20/08/2023

Place of the activity: Aburoad

No. of students participated: 28

No. of Teachers participated: 3

Beneficiaries: Local Community

Activity Coordinator: Dr. Devendra Muzalda

Activity Objectives: The objectives of the "Knowledge for All: Educational Items Distribution Campaign" in rural villages are to increase access to educational resources and promote literacy among underserved communities. The campaign aims to distribute educational items such as books, stationery, and learning materials to children and adults in rural villages. Additionally, it seeks to raise awareness about the importance of education and encourage lifelong learning. The campaign aims to empower individuals with knowledge and skills that can improve their quality of life, enhance their opportunities for personal and professional development, and contribute to community development.

Activity Outcomes: The outcomes of the "Knowledge for All: Educational Items Distribution Campaign" in rural villages include increased access to educational resources for children and adults, leading to improved literacy levels and enhanced learning opportunities. The distribution of educational items such as books and stationery fosters a culture of learning within the community and encourages lifelong education. The campaign promotes awareness about the importance of education, motivating individuals to pursue learning and skill development. Additionally, the campaign contributes to community development by empowering individuals with knowledge and skills that can improve their socio-economic prospects.

Activity Report

Name of the activity: An Awareness Programme on Complementary and Alternative Medicine

Organized by: NSS Unit, Madhav Homoeopathic Medical College and Hospital, Madhav University

Date: 21/08/2023

Place of the activity: Deldar village

No. of students participated: 30

No. of Teachers participated: 5

Beneficiaries: Local Community

Activity Coordinator: Dr. Dushyant Singh

Activity Objectives: The objectives of the awareness program on complementary and alternative medicine, specifically homeopathy, are to educate participants about the principles and practices of homeopathy, highlighting its benefits and potential applications for various health conditions. The program aims to dispel myths and misconceptions, providing accurate information to foster a better understanding of homeopathy's efficacy and safety. It seeks to promote informed decision-making by equipping individuals with knowledge about how homeopathy can complement conventional treatments. Additionally, the program encourages the acceptance and integration of homeopathic practices within the broader healthcare system.

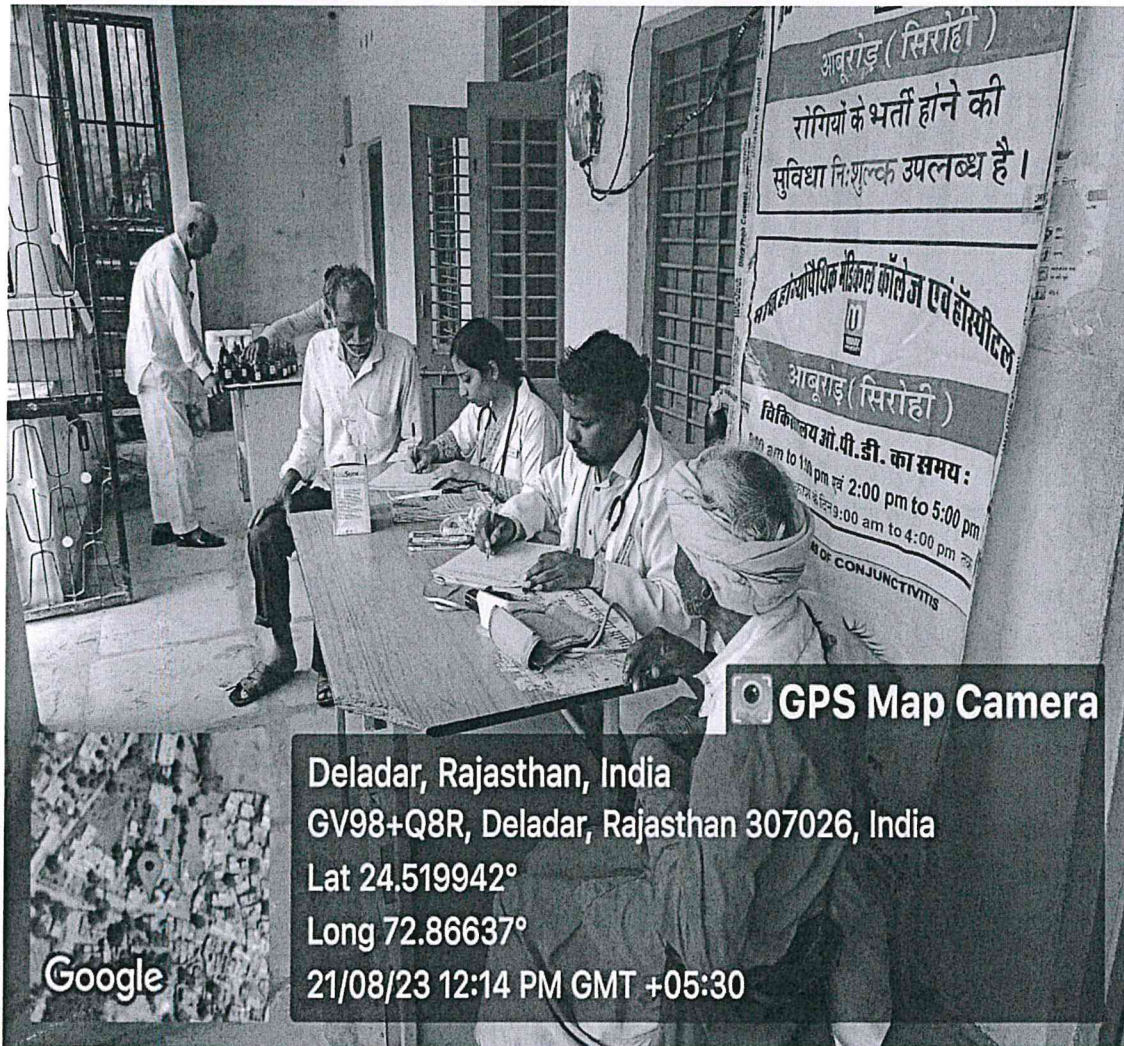

Activity Outcomes: The outcomes of the awareness program on complementary and alternative medicine, specifically homeopathy, include heightened awareness and understanding of homeopathy among participants. Attendees gain knowledge about the principles, benefits, and potential applications of homeopathic treatments for various health conditions. The program dispels common myths and misconceptions about homeopathy, fostering a more informed perspective on its efficacy and safety. Increased interest and acceptance of homeopathic practices lead to more individuals considering it as a viable option for their healthcare needs.

Name of the activity: Fostering Self-Reliance and Hard Work among Students

Organized by: NSS Unit 1 and Faculty of Arts and Science, Madhav University

Date: 27/05/2024

Place of the activity: Mungthala village

No. of students participated: 34

No. of Teachers participated: 4

Beneficiaries: Local Community

Activity Coordinator: Mr. Tapesht Gautam

Activity Objectives: The objectives of the skill-building initiatives in Kivarli village aim to foster self-reliance and hard work among students. The program seeks to equip students with practical skills and vocational training that are directly applicable to local economic opportunities, enhancing their employability and entrepreneurial potential. It aims to instill a strong work ethic and a sense of responsibility by engaging students in hands-on learning experiences. Additionally, the initiative focuses on boosting students' confidence and self-esteem by providing them with the tools and knowledge needed to succeed independently.

Activity Outcomes: The outcomes of the skill-building initiatives in Kivarli village include enhanced self-reliance and a strong work ethic among students, who now possess practical skills and vocational training tailored to local economic opportunities. Students demonstrate increased employability and entrepreneurial potential, contributing to the local economy and reducing dependency on external resources. The hands-on learning experiences have boosted students' confidence and self-esteem, enabling them to take control of their futures. The community benefits from a culture of continuous learning and skill development, with students actively contributing to economic development and setting a positive example for peers.

(Established by the Rajasthan State Govt. Legislature Act No. 07 of 2014)

Activity Report

Name of the activity: Bringing Health to Life: Educating Rural Students on the Importance of Health and Hygiene for a Better Tomorrow

Organized by: NSS Unit and Faculty of Engineering, Faculty of Social Sciences and Humanities

Date: 20/12/2023

Place of the activity: Kasindra village

No. of students participated: 36

No. of Teachers participated: 3

Beneficiaries: Local Community

Activity Coordinator: Dr. Sangeeta Singh and Dr. Devendra Muzalda

Activity Objectives: The objectives of "Bringing Health to Life" are to educate rural students on the importance of health and hygiene for a better tomorrow. The program aims to raise awareness about key health issues, such as proper nutrition, sanitation, and disease prevention, empowering students to make healthier choices and adopt lifelong habits that promote well-being. Additionally, it seeks to provide practical knowledge and skills to students, enabling them to take proactive measures to protect their health and the health of their communities. Through these objectives, the program aims to contribute to improved health outcomes and a brighter future for rural students.

Activity Outcomes: The outcomes of "Bringing Health to Life" include increased awareness among rural students about the importance of health and hygiene practices for a better tomorrow. Students develop practical skills and knowledge to make healthier choices and adopt positive habits. This leads to improved health behaviors, reduced incidence of preventable diseases, and better overall well-being among students and their communities. Ultimately, the program contributes to building a healthier and more resilient rural population for the future.

Place of the activity: Swaroopganj village

No. of students participated: 29

No. of Teachers participated: 5

Beneficiaries: Local Community

Activity Coordinator: Dr. Sangeeta Singh and Dr. Devendra Muzalda

Activity Objectives: The objectives of "Empowering Health" are to educate communities on health issues, prevention, and self-care for improved well-being. The program aims to raise awareness about key health topics, including disease prevention, nutrition, and self-care practices. It seeks to empower individuals to take proactive steps to protect their health and the health of their communities through education and awareness campaigns. Additionally, the program aims to promote healthy behaviors and lifestyle choices that contribute to a healthier community overall.

Activity Outcomes: The outcomes of "Empowering Health" include increased awareness and understanding of health issues, prevention methods, and self-care practices among community members. This leads to a greater adoption of healthy behaviors and lifestyle choices, resulting in improved overall well-being and reduced incidence of preventable diseases within the community. Additionally, individuals are empowered to take proactive steps to protect their health and the health of their community, contributing to a stronger and more resilient community overall. Through these outcomes, the program fosters a culture of health and empowerment, creating lasting positive impacts on community health and well-being.

Name of the activity: Education for All"- Door to Door Education Awareness Drive

Organized by: NSS Unit and Faculty of Social Sciences and Humanities

Date: 13/01/2024

Place of the activity: Swaroopganj village

No. of students participated: 41

No. of Teachers participated: 3

Beneficiaries: Local community

Activity Coordinator: Dr. Renuka, Mr Anand Singh

Activity Objectives: The "Education for All" door-to-door awareness drive aims to promote the importance of education in every household, particularly focusing on encouraging school enrollment and retention. The initiative seeks to raise awareness about the benefits of education for individual and community development, address barriers to access, and emphasize the value of continuous learning for all age groups. By engaging directly with families, the drive hopes to foster a culture of education, reduce illiteracy, and ensure that every child and adult has the opportunity to learn and grow.

Activity Outcomes: The "Education for All" door-to-door awareness drive resulted in increased school enrollment and improved retention rates, with more families recognizing the importance of education. The initiative successfully addressed barriers to access, leading to a higher participation rate in educational programs for both children and adults. The drive also fostered a stronger community commitment to learning, reduced illiteracy rates, and promoted a culture that values education as essential for individual and collective growth.

Activity Report

Name of the activity: Empowering Voices in Rural Communities: Voter's Day Rally to Celebrate Democracy and Civic Participation

Organized by: NSS Unit and Faculty of Social Sciences and Humanities

Date: 25/01/2024

Place of the activity: Kalamagra village

No. of students participated: 27

No. of Teachers participated: 3

Beneficiaries: Local Community

Activity Coordinator: Dr. Sangeeta Singh

Activity Objectives: The objectives of the "Empowering Voices in Rural Communities" Voter's Day rally at Kasindra village are to celebrate democracy, promote civic participation, and empower residents to exercise their right to vote. The rally aims to raise awareness about the importance of voting and civic engagement, particularly among rural communities. It seeks to educate villagers about their electoral rights, the significance of participating in democratic processes, and the impact of their votes on local governance and decision-making. Additionally, the initiative aims to encourage voter registration and provide information on voting procedures and polling locations.

Activity Outcomes: The "Empowering Voices in Rural Communities" Voter's Day rally at Kasindra village resulted in several significant outcomes. The rally successfully celebrated democracy and civic participation, fostering a sense of pride and engagement among residents. Increased awareness about the importance of voting and civic responsibility was achieved, leading to higher voter registration rates and participation in electoral processes. Community members gained valuable knowledge about their electoral rights and voting procedures, empowering them to make informed decisions during elections. The rally also served as a platform for community dialogue and discussion on local governance issues, encouraging active participation in decision-making processes.

ACTIVITY REPORT

Name of the activity : Illuminate Mind - Promoting literacy awareness for a brighter future

Organized by : NSS UNIT 1 and Faculty of Yoga and Naturopathy, Madhav University

Date : 05/12/2023

Place of the activity : Bharja village

No. of students participated : 27

No. of Teachers participated: 4

Beneficiaries : Local Community

Activity Coordinator : Dr. Anil Yogi

Activity Objectives: The "Illuminate Minds" literacy awareness program aims to promote literacy as a fundamental tool for individual empowerment and societal development. It seeks to enhance access to educational resources, empower communities to support literacy initiatives, and foster a culture of lifelong learning. By addressing barriers to literacy and fostering collaboration among stakeholders, the program aims to maximize its impact in promoting literacy and ultimately contribute to a brighter future for all individuals and communities.

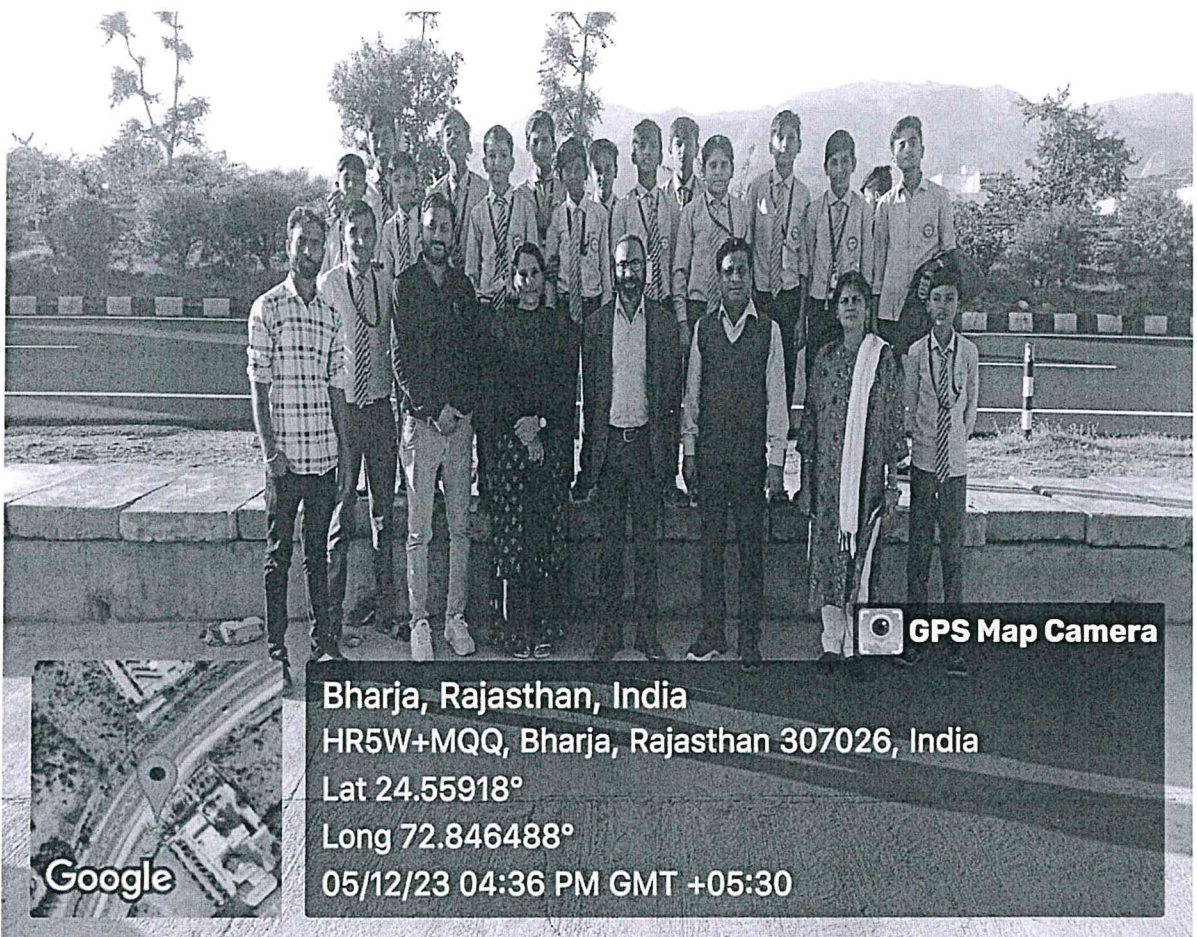

Activity Outcomes: The "Illuminate Minds" literacy awareness program has achieved significant outcomes in promoting literacy and fostering a brighter future. It has increased awareness about the importance of literacy, empowering individuals and communities to access educational resources and support literacy initiatives. Through collaborative efforts and targeted interventions, the program has addressed barriers to literacy and fostered a culture of lifelong learning. As a result, there has been improved literacy rates, enhanced critical thinking skills, and increased opportunities for socioeconomic development. Overall, the program has made meaningful strides in promoting literacy awareness and creating a brighter future for all participants.

Activity Report

Name of the activity: "Vidhik Shiksha: A Step Towards Legal Literacy"

Organized by: NSS Unit 1 and Faculty of Law, Madhav University

Date: 09/09/2023

Place of the activity: Kacholi Village

No. of students participated: 23

No. of Teachers participated: 3

Beneficiaries: Local Community

Activity Coordinator: Dr. Vidya Shaktawat

Activity Objectives: The objectives of "Vidhik Shiksha: A Step Towards Legal Literacy" were to educate participants about their legal rights and responsibilities, promote awareness of fundamental laws, and empower individuals to navigate legal systems effectively. The activity aimed to simplify complex legal concepts, provide practical knowledge on commonly encountered legal issues, and encourage responsible citizenship. Additionally, it sought to create a more informed and legally aware community that can advocate for justice and equality.

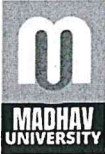

Activity Outcomes: The "Vidhik Shiksha: A Step Towards Legal Literacy" program successfully increased participants' understanding of their legal rights and responsibilities. Attendees gained practical knowledge of key laws, enabling them to address common legal issues more confidently. The program fostered greater awareness of legal systems, with participants expressing a stronger sense of empowerment in protecting their rights and advocating for justice. Overall, the activity contributed to building a more informed and legally conscious community.

Activity Report

Name of the activity: "Read to Lead - An awareness program on education for school children"

Organized by: NSS Unit 1 and Faculty of Physiotherapy, Madhav University

Date: 25/04/2024

Place of the activity: Aburoad

No. of students participated: 24

No. of Teachers participated: 5

Beneficiaries: Local Community

Activity Coordinator: Dr. Rohitas Meena

Activity Objectives: The objective of the "Read to Lead" awareness program is to promote the importance of education and literacy among school children. This initiative aims to inspire young students to cultivate a love for reading and learning, highlighting how literacy serves as a foundation for personal growth and future opportunities. By fostering reading habits, the program seeks to empower students with the skills necessary for academic success and lifelong learning. Additionally, it encourages peer engagement and support, motivating children to help each other improve their literacy levels, thereby contributing to a more educated and aware community.

Activity Outcomes: The Read to Lead program successfully enhanced children's awareness of the importance of education and literacy in shaping their future. Students developed improved reading habits, which led to better comprehension, vocabulary, and overall academic performance. The program fostered a supportive learning environment where children collaborated and helped each other. As a result, increased engagement in reading boosted their confidence and communication skills, contributing to their holistic development. Ultimately, the program created a community of motivated learners who understood the value of education in both their personal and societal growth.

Organized by: NSS Unit 1 and Faculty of Physiotherapy, Madhav University

Date: 25/05/2024

Place of the activity: Kasindra Village

No. of students participated: 23

No. of Teachers participated: 4

Beneficiaries: Local Community

Activity Coordinator: Dr. Rohitas Meena

Activity Objectives: The objective of the "EduEmpower: Building Bright Futures" awareness program is to highlight the transformative power of education in shaping students' lives and futures. It aims to encourage students to actively engage in learning, recognize education as a tool for personal and community empowerment, and inspire them to pursue knowledge for long-term success. By fostering a positive attitude towards education, the program seeks to cultivate a generation of motivated learners who understand the role of education in achieving their dreams and contributing to society.

Activity Outcomes: The "EduEmpower: Building Bright Futures" program successfully increased student motivation and commitment to education. Participants developed a deeper understanding of the importance of learning for personal growth and future opportunities. The program fostered a more positive attitude towards school, enhanced engagement in academic activities, and promoted self-driven learning. Students also gained a sense of empowerment, realizing their potential to shape their own futures through education, which led to improved academic performance and a greater contribution to their community's development.

Activity Report

Name of the activity: "Paediatric camp at Aanganbadi centre"

Organized by: NSS Unit 2 and Madhav Homoeopathic Medical College and Hospital, Madhav University

Date: 09/05/2024

Place of the activity: Sirohi Village

No. of students participated: 21

No. of Teachers participated: 2

Beneficiaries: Local Community

Activity Coordinator: Dr. Pratiksha Singh

Activity Objectives: The objective of the paediatric camp at the Aanganbadi centre is to provide essential health services and screenings for young children, ensuring early detection of health issues and promoting overall well-being. The camp aims to educate parents on child nutrition, hygiene, and immunization while fostering awareness about the importance of regular health check-ups. Through this initiative, the goal is to support the healthy development of children in the community and encourage preventive healthcare practices.

Activity Outcomes: The paediatric camp at the Aanganbadi centre successfully provided essential health services, leading to the early detection of health issues in young children and promoting their overall well-being. Parents were educated on vital aspects of child nutrition, hygiene, and immunization, increasing their awareness of preventive healthcare. As a result, the camp fostered healthier practices within the community and contributed to the improved health and development of children.

Activity Report

Name of the activity : "Empowerment Outreach: Nurturing Consumer Awareness

Organized by : NSS UNIT 1& 2 & Faculty of Law & Faculty of Humanities and Social Sciences

Date : 27/08/2022

Place of the activity : Aamthala village

No. of students participated : 25

No. of Teachers participated : 4

Beneficiaries : Local Community

Activity Coordinator : Dr. Meenu D, Dr. Sandeep Gehlot

Activity Objectives: The objective of the "Empowerment Outreach: Nurturing Consumer Awareness" activity is to educate and inform consumers about their rights, responsibilities, and the resources available to them. This initiative aims to enhance consumers' understanding of market practices, financial literacy, and the importance of making informed decisions. By providing clear and accessible information, the program seeks to empower individuals to protect themselves from fraud, make sound financial choices, and understand the legal and ethical aspects of consumerism.

Activity Outcomes : The "Empowerment Outreach: Nurturing Consumer Awareness" activity aims to achieve several key outcomes. These include increased consumer knowledge about their rights and responsibilities, improved financial literacy, and a heightened ability to identify and avoid fraudulent practices. As a result, participants are expected to make more informed and confident decisions in the marketplace, leading to better personal financial management and protection against exploitation. Additionally, the program seeks to foster a more empowered consumer base that can advocate for fairer business practices and contribute to a more transparent and accountable market environment.

Activity Report

Name of the activity : "Ballot Brilliance: An Initiative for Voter Awareness and Education"

Organized by : NSS UNIT 1 & 2 & Faculty of Humanities and Social Sciences

Date : 08/12/2022

Place of the activity : Aburoad

No. of students participated : 27

No. of Teachers participated : 7

Beneficiaries : Local Community

Activity Coordinator : Dr. Devendra Muzalda

Activity Objectives : The "Ballot Brilliance: An Initiative for Voter Awareness and Education" aims to enhance understanding and engagement in the electoral process. Its objectives include educating citizens about the importance of voting, the voting process, and the impact of their choices on governance and policy. The initiative seeks to demystify the voting process by providing clear information on voter registration, polling procedures, and the roles of elected officials. Additionally, it aims to promote informed decision-making by highlighting key issues and candidates.

Activity Outcomes : The "Ballot Brilliance: An Initiative for Voter Awareness and Education" aims to achieve several key outcomes. These include increased voter registration and higher turnout rates as a result of improved understanding of the voting process and its significance. The initiative also seeks to enhance the electorate's knowledge about candidates, key issues, and the implications of their votes. By demystifying the electoral process and promoting informed decision-making, the program aims to foster a more engaged and responsible voting population.

MADHAV UNIVERSITY, PINDWARA (SIROHI)

(Established by the Rajasthan State Govt. Legislature Act No. 07 of 2014)

Activity Report

Name of the activity : "An Awareness on Understanding the Disruptive Role of Mobile Phones in Education"

Organized by : NSS UNIT 1 & 2 & Faculty of Law & Faculty of Humanities and Social Sciences

Date : 17/10/2022

Place of the activity : Mount Abu

No. of students participated : 28

No. of Teachers participated : 5

Beneficiaries : Local Community

Activity Coordinator : Dr. Meenu Dayma, Dr. Suresh Kumar Trivedi

Activity Objectives : The objectives of the activity on understanding the disruptive role of mobile phones in education are to raise awareness about how mobile phones can both positively and negatively affect learning outcomes. It aims to identify the potential disruptions caused by mobile phones, such as distractions and diminished academic focus, while also exploring their benefits, including enhanced access to resources and communication. Additionally, the activity seeks to promote strategies for effectively integrating mobile phones into educational practices to optimize their advantages and minimize their disruptive effects.

Activity Outcomes : The activity aimed at understanding the disruptive role of mobile phones in education highlights the dual nature of their impact on learning environments. On one hand, mobile phones can enhance educational outcomes by providing instant access to information, facilitating communication, and supporting various learning tools and apps. On the other hand, they can be disruptive by contributing to distractions, reducing face-to-face interactions, and potentially leading to issues with focus and academic integrity. The activity underscores the importance of balanced and strategic integration of mobile phones in educational settings to maximize their benefits while mitigating negative effects.

Activity Report

Name of the activity : "Beyond Hepatitis: A Lifesaving Awareness Program"

Organized by : NSS UNIT 1 & 2 & Madhav Homoeopathic Medical College and Hospital

Date : 22/11/2022

Place of the activity : Swaroopganj village

No. of students participated : 31

No. of Teachers participated : 7

Beneficiaries : Local Community

Activity Coordinator : Dr. Amit Kumar, Dr. Rajiv Kumar Kulshrestha, Dr. Alpana

Activity Objectives : The objectives of the "Beyond Hepatitis: A Lifesaving Awareness Program" are to educate the public about the prevention, treatment, and impact of hepatitis. The program aims to raise awareness about the risks associated with hepatitis, provide information on effective prevention strategies, and promote access to medical resources for early diagnosis and treatment. It seeks to empower individuals with knowledge to protect themselves and their communities from hepatitis, while also advocating for improved healthcare practices and support systems. Through these efforts, the program aims to reduce the prevalence and impact of hepatitis and improve overall public health.

Activity Outcomes : The outcomes of the "Beyond Hepatitis: A Lifesaving Awareness Program" include increased public awareness about hepatitis, leading to greater understanding of its risks, prevention methods, and treatment options. Participants are better informed about how to protect themselves and seek timely medical care, which contributes to improved health outcomes and reduced transmission rates. The program also fosters enhanced community engagement in hepatitis prevention and promotes better access to healthcare resources. Overall, these outcomes support a significant reduction in the prevalence and impact of hepatitis, contributing to overall public health improvement.

Activity Report

Name of the activity : "Health Horizons: Fostering Awareness of Nutritional Balance and Women's Wellness"

Organized by : NSS UNIT 1& 2, Faculty of Humanities and Social Sciences & Madhav Homoeopathic Medical College and Hospital

Date : 26/11/2022

Place of the activity : Aburoad

No. of students participated : 24

No. of Teachers participated : 5

Beneficiaries : Local Community

Activity Coordinator : Dr. Alpana Verma, Mr. Tapesh Gautam

Activity Objectives : The "Health Horizons: Fostering Awareness of Nutritional Balance and Women's Wellness" activity aims to educate participants on the importance of maintaining a balanced diet and understanding the unique nutritional needs of women at different life stages. The objectives include promoting awareness of the critical role nutrition plays in overall health, providing practical strategies for achieving a balanced diet, and addressing specific concerns related to women's health, such as hormonal changes, bone health, and reproductive wellness.

Activity Outcomes : The "Health Horizons: Fostering Awareness of Nutritional Balance and Women's Wellness" activity aims to achieve several key outcomes. Participants will gain a comprehensive understanding of the importance of nutritional balance and its impact on overall health and wellness. They will learn practical skills for planning and maintaining a balanced diet tailored to their unique needs, especially focusing on women's health issues like hormonal balance, bone density, and reproductive health. Additionally, the activity will empower participants with the knowledge to make healthier food choices and adopt sustainable lifestyle changes that promote long-term well-being.

Activity Report

Name of the activity : Cancer Awareness and Free Medical Check Up Camp

Organized by : NSS UNIT 1 & 2 & Madhav Homoeopathic Medical College and Hospital and Faculty of Allied health sciences

Date : 23/01/2023

Place of the activity : Kasindra village

No. of students participated : 29

No. of Teachers participated : 6

Beneficiaries : Local Community

Activity Coordinator : Dr Saket Kumar Singh, Dr. Pratiksha Singh

Activity Objectives : The Cancer Awareness and Free Medical Check-Up Camp aims to enhance public understanding of cancer prevention and early detection. The objectives include educating participants about cancer risk factors, symptoms, and preventive measures while providing free medical check-ups and screenings for early diagnosis. The camp seeks to promote healthy lifestyle choices, connect individuals with resources and support services for cancer care, and emphasize the importance of regular health screenings. Overall, the initiative strives to improve community awareness, facilitate early cancer detection, and support proactive health management.

Activity Outcomes : The Cancer Awareness and Free Medical Check-Up Camp will achieve several key outcomes. Participants will gain increased knowledge about cancer prevention, risk factors, and early detection strategies, leading to heightened awareness and proactive health management. The provision of free medical check-ups will facilitate the early identification of potential cancer cases, enabling timely intervention and treatment. Additionally, the camp will encourage healthier lifestyle choices and connect individuals with resources and support services for ongoing cancer care. Overall, the initiative aims to improve community health by fostering greater awareness, promoting early detection, and supporting preventive care efforts.

MADHAV UNIVERSITY, PINDWARA (SIROHI)

(Established by the Rajasthan State Govt. Legislature Act No. 07 of 2014)

Activity Report

Name of the activity : Youth skill development program - Empowering rural youth

Organized by : NSS UNIT 1 & 2 & Faculty of Engineering & Faculty of Humanities and Social Sciences

Date : 26/04/2023

Place of the activity : Achapura village

No. of students participated : 25

No. of Teachers participated : 6

Beneficiaries : Local Community

Activity Coordinator : Mrs. S. Mahalakshmi, Dr. Prabha Gour

Activity Objectives : The objectives of the "Youth Skill Development Program - Empowering Rural Youth" are to provide young people in rural areas with essential skills and training to enhance their employability and economic opportunities. The program aims to equip participants with technical skills, vocational training, and soft skills necessary for various industries and entrepreneurial endeavors. It seeks to bridge the skill gap and increase access to quality education and training resources. Additionally, the program focuses on fostering a sense of confidence, independence, and self-reliance among rural youth, empowering them to pursue sustainable livelihoods.

Activity Outcomes : The outcomes of the "Youth Skill Development Program - Empowering Rural Youth" include enhanced employability and job readiness among participants due to the acquisition of technical, vocational, and soft skills. The program often results in increased access to job opportunities and entrepreneurial ventures, allowing rural youth to secure better livelihoods. Participants gain confidence, self-reliance, and a proactive attitude toward career development. The initiative also contributes to reduced unemployment and underemployment in rural areas, fostering economic growth and stability.

Activity Report

Name of the activity : Youth Power: Youth Leadership Development Program for Tomorrow's Leader

Organized by : NSS UNIT 1& 2 & Faculty of Engineering & Faculty of Humanities and Social sciences

Date : 09/05/2023

Place of the activity : Ore village

No. of students participated : 30

No. of Teachers participated : 4

Beneficiaries : Local Community

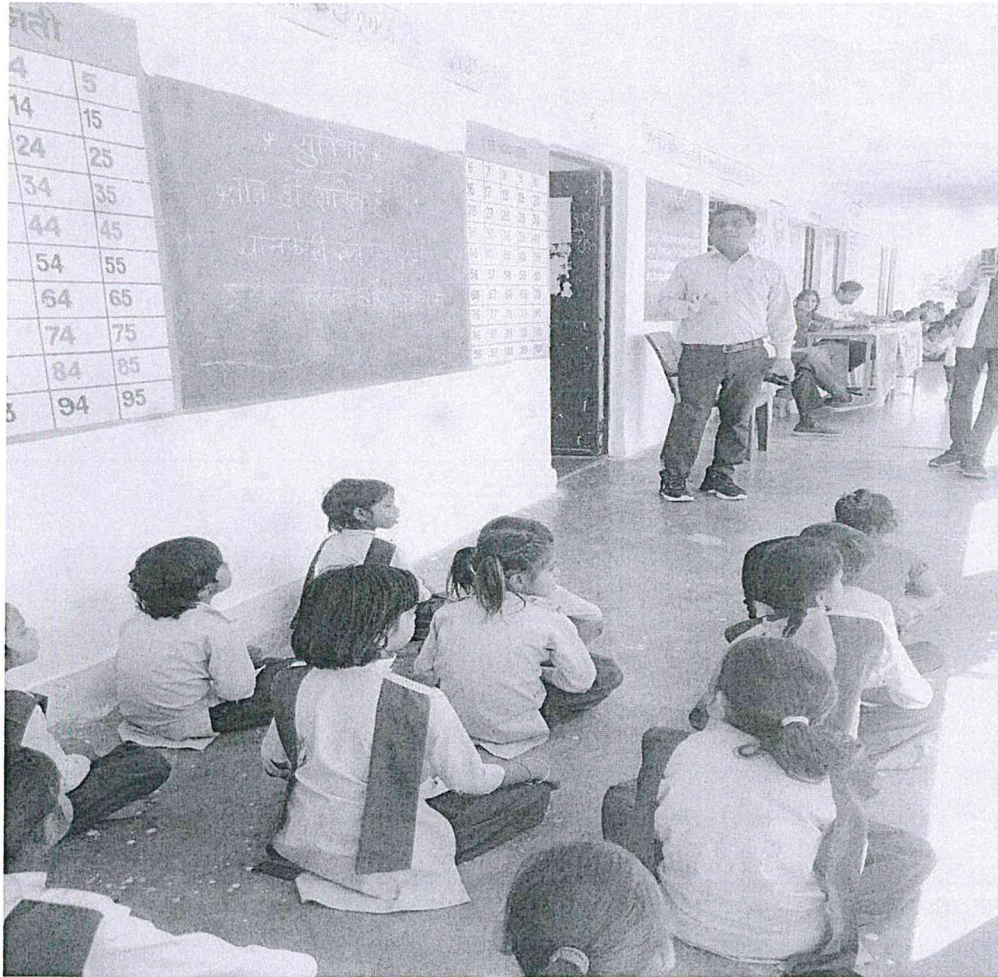

Activity Coordinator : Ms. Neethu V. A., Mr. Dilip Prajapat

Activity Objectives : The objective of the "Youth Power: Youth Leadership Development Program" is to equip young individuals with the skills, knowledge, and confidence needed to become effective leaders in their communities. The program aims to foster leadership qualities such as critical thinking, problem-solving, communication, and teamwork among youth. By providing training, mentorship, and opportunities for practical leadership experience, the initiative seeks to empower the next generation to take on leadership roles, drive positive change, and contribute to the social, economic, and cultural development of their communities.

Activity Outcomes : The outcomes of the "Youth Power: Youth Leadership Development Program" include the emergence of a confident and capable group of young leaders equipped with essential leadership skills. Participants gain practical experience in leading initiatives, working collaboratively, and making informed decisions. The program fosters a sense of responsibility and civic engagement among youth, encouraging them to take active roles in their communities. As a result, the village benefits from a new generation of leaders ready to drive positive change, address local challenges, and contribute to the overall growth and development of their society.

Activity Report

Name of the activity : An awareness programme on voter awareness

Organized by : NSS UNIT 1 & 2 & Faculty of Law

Date : 29/05/2023

Place of the activity : Kalamagra village

No. of students participated : 24

No. of Teachers participated : 6

Beneficiaries : Local Community

Activity Coordinator : Dr. Devendra Muzalda

Activity Objectives : The objectives of the Voter Awareness Programme are to educate citizens about the importance of voting and active participation in the democratic process. The program aims to inform individuals about their voting rights, the electoral process, and how to register to vote. It seeks to dispel common misconceptions and barriers to voting, particularly among underrepresented groups, while promoting the significance of informed voting. Ultimately, the initiative strives to enhance civic engagement, encourage higher voter turnout, and foster a more informed electorate that values participation in governance.

Activity Outcomes : The Voter Awareness Programme successfully increased understanding of the voting process and the importance of civic engagement among participants. Attendees gained valuable knowledge about their voting rights, registration procedures, and the electoral system, leading to heightened awareness and motivation to participate in elections. The program effectively reached underrepresented groups, helping to dispel myths and reduce barriers to voting. As a result, there was a noticeable increase in voter registration and enthusiasm for upcoming elections, contributing to a more informed and active electorate within the community.

माधव यूनिवर्सिटी ने काला मगरा गांव में आयोजित की मतदाता जागरूकता रैली

युवाओं को मतदान प्रक्रिया में ज्यादा से ज्यादा भागीदारी निभाने को किया प्रेरित

हिन्दुस्तान से स्वरू

आबूरोड (सिरोही)। माधव विश्वविद्यालय के छात्र-छात्राओं ने

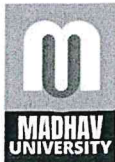

बुधवार को काला मगरा गांव में मतदाता जागरूकता अभियान के तहत जागरूकता रैली निकाली। एनएसएस की ओर से आयोजित इस रैली में विश्वविद्यालय के बहुत से छात्र-छात्राओं और स्वयंसेवकों ने हिस्सा लिया। इस अवसर पर विश्वविद्यालय के प्रिंसिपल डॉ राजीव माधुर ने मतदान को लोकतंत्र के लिए बेहद ही महत्वपूर्ण बताया और

युवाओं को इसमें ज्यादा से ज्यादा भागीदारी निभाने को प्रेरित किया। विश्वविद्यालय के कुलसचिव डॉ भावेश कुमार ने कहा की चुनाव किसी भी लोकतंत्र के लिए एक महत्वपूर्ण पर्व की तरह है। बिना चुनाव के लोकतंत्र का कोई महत्व नहीं रहता। ऐसे में हर एक वोट महत्वपूर्ण होता है। इस सोच पर एनएसएस डायरेक्टर डॉ देवेन्द्र

मुझादरा ने कहा कि आने वाले लोकसभा चुनाव में ज्यादा से ज्यादा लोगों की भागीदारी हो, इसी को ध्यान में रखकर इस रैली के तहत जागरूक किया गया। इस अवसर पर एनएसएस यूनिट-एक की प्रभारी संगीता सिंह ने भी लोकतंत्र में सचिवान और वोट के महत्व को काफी महत्वपूर्ण बताया। एनएसएस यूनिट-थे के प्रभारी डॉ

रिपिकेश कुमार गौतम ने भी अपने स्वयंसेवकों के साथ इसमें हिस्सा लिया। विश्वविद्यालय के अन्य छात्र-छात्राओं के साथ एनएसएस स्वयंसेवकों विक्रम गोयल, भव्य कुमार, नरपत सिंह, पदम सिंह, निवातम, दिनेश कुमार, कृष्ण कुमार, प्रवीण, विक्रम कुमार, उममेदीसिंह ने भी इस रैली में अपनी महत्वपूर्ण भूमिका निभाई।

युवाओं को मतदान प्रक्रिया में ज्यादा से ज्यादा भागीदारी निभाने को किया प्रेरित

Activity Report

Name of the activity : Nukkad natak on voter awareness programme

Organized by : NSS UNIT 1 & 2 & Faculty of Law and Faculty of Humanities

Date : 10/08/2022

Place of the activity : Pindwara village

No. of students participated : 23

No. of Teachers participated : 6

Beneficiaries : Local Community

Activity Coordinator : Dr. Sangeeta Singh

Activity Objectives : The objective of the Nukkad Natak competition on voter awareness at the government school is to educate and engage students and the local community about the importance of voting in a democratic society. Through engaging street plays, participants aim to highlight the significance of informed and responsible voting, encourage active participation in the electoral process, and raise awareness about voters' rights and responsibilities. The competition also seeks to foster a sense of civic duty among young individuals and promote a culture of informed decision-making for a more robust democratic process.

Activity Outcomes : The Nukkad Natak competition on voter awareness at the government school successfully raised awareness among students and the local community about the critical role of voting in a democracy. Participants gained a deeper understanding of the electoral process, voter rights, and the importance of making informed choices. The activity fostered a sense of civic responsibility and inspired both students and onlookers to actively participate in future elections. It also encouraged dialogue on social and political issues, helping to create a more informed, engaged, and responsible electorate within the community.

Name of the activity : Marg Darshan: Road Safety Initiative

Organized by : NSS UNIT 1 & 2 & Faculty of Engineering and technology

Date : 23/09/2022

Place of the activity : Swaroopganj village

No. of students participated : 28

No. of Teachers participated : 6

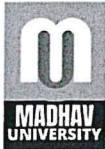

Beneficiaries : Local Community

Activity Coordinator : Vikram Suthar, Ganpat Joshi

Activity Objectives : The objective of "Marg Darshan: Road Safety Initiative" is to increase public awareness of safe driving practices and responsible behavior on the roads. The program aims to educate participants about the importance of following traffic rules, understanding road signs, and adopting defensive driving techniques to reduce accidents and enhance safety for all road users. Through informative sessions and practical demonstrations, the initiative encourages a culture of caution and respect on the roads, fostering a safer community and reducing the risk of road-related incidents.

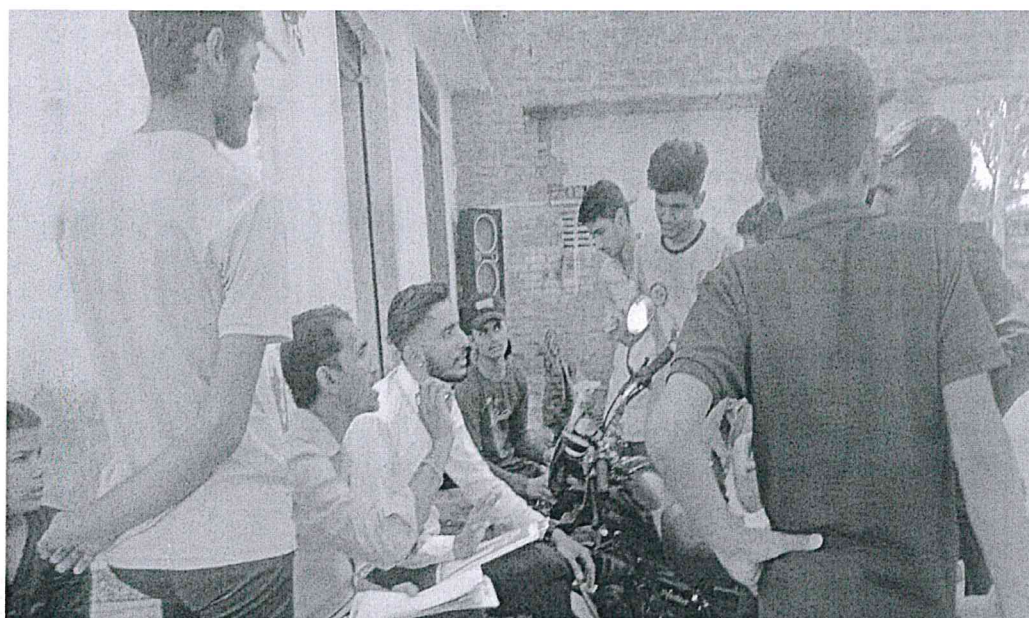

Activity Outcomes : The outcomes of "Marg Darshan: Road Safety Initiative" include heightened awareness among participants about safe driving practices, traffic rules, and road safety measures. Attendees gain knowledge on the importance of following road signs, practicing defensive driving, and showing respect for all road users. This program fosters a more safety-conscious attitude, leading to responsible road behavior that reduces the likelihood of accidents. Ultimately, the initiative contributes to creating safer roads and a more aware community.

Activity Report

Name of the activity : Padhai Ki Pahal: Initiative for Consistent Learning

Organized by : NSS UNIT 1 & 2 & Faculty of Humanities

Date : 14/02/2023

Place of the activity : Bhujela village

No. of students participated : 24

No. of Teachers participated : 5

Beneficiaries : Local Community

Activity Coordinator : Dr. Devendra Muzalda, Dr. Anil Yogi

Activity Objectives : The objective of "Padhai Ki Pahal: Initiative for Consistent Learning" is to motivate school children to attend classes regularly, actively engage in their studies, and understand the importance of consistent learning for personal and academic growth. The program aims to reduce absenteeism by addressing reasons for skipping school and promoting the long-term benefits of education, such as better opportunities and skill development. Through interactive sessions, encouragement, and support from teachers and volunteers, "Padhai Ki Pahal" seeks to create a positive learning environment that inspires students to prioritize their education and build a strong foundation for their future.

Activity Outcomes : The outcomes of "Padhai Ki Pahal: Initiative for Consistent Learning" include improved school attendance rates and increased enthusiasm for learning among students. Participants gain a better understanding of the value of consistent education and its impact on their future opportunities. The initiative fosters a supportive environment that encourages regular study habits and strengthens students' commitment to their academic journey. As a result, students are more engaged in their learning, show greater academic progress, and develop a stronger foundation for future educational success.

Activity Report

Name of the activity : Be Smart, Be Safe: Road Safety Awareness

Organized by : NSS UNIT 1 & 2 & Faculty of Engineering and Technology

Date : 11/02/2023

Place of the activity : Swaroopganj village

No. of students participated : 53

No. of Teachers participated : 3

Beneficiaries : Local Community

Activity Coordinator : Dr. Devendra Muzalda, Dr. V. Mahalaxmi

Activity Objectives : The "Be Smart, Be Safe: Road Safety Awareness" program aims to educate the community about safe road practices and the importance of road safety for all users, including pedestrians, cyclists, and motorists. Objectives include raising awareness about the rules of the road, the dangers of reckless behavior, and the significance of wearing seatbelts and helmets. The program seeks to engage participants through interactive workshops, demonstrations, and community outreach, fostering a culture of responsibility and vigilance.

Activity Outcomes : The "Be Smart, Be Safe: Road Safety Awareness" program successfully enhanced community knowledge and awareness regarding road safety practices. Key outcomes included a significant increase in participants' understanding of road rules and safe behaviors, such as the importance of seatbelt usage and pedestrian rights. The program engaged various community members, leading to improved discussions on road safety concerns and proactive measures to reduce accidents. Feedback indicated a heightened sense of responsibility among participants, with many committing to advocate for safe road practices within their families and social circles.

Activity Report

Name of the activity : Lakshya: Setting Goals for Career Success

Organized by : NSS UNIT 1 & 2, Faculty of Education

Date : 19/12/2022

Place of the activity : Bhimana village

No. of students participated : 22

No. of Teachers participated : 3

Beneficiaries : Local Community

Activity Coordinator : Dr. Sujan Patel

Activity Objectives : The Lakshya program aims to equip rural students with the knowledge and skills to make informed career choices and set achievable goals for their future. Through interactive workshops, one-on-one counseling, and career exploration sessions, this program introduces students to a wide range of career paths and helps them understand the educational requirements and skills needed for each. By fostering self-awareness, building confidence, and promoting goal-setting, Lakshya empowers students to pursue careers that align with their interests and potential, ultimately contributing to personal growth and improved career opportunities.

Activity Outcomes : The Lakshya program results in increased career awareness and confidence among rural students, helping them to identify career paths that match their strengths and interests. Students gain clarity on educational requirements, skills, and steps needed to reach their goals, fostering a proactive approach to future planning. The program encourages goal-setting and builds self-motivation, empowering students to take ownership of their career aspirations. Overall, Lakshya contributes to a sense of purpose and direction, inspiring students to pursue meaningful and achievable career paths that enhance their potential for long-term success.

Name of the activity : Pragati Path: Guiding Youth on the Path to Success

Organized by : NSS UNIT 1 & 2, Faculty of Education

Date : 21/03/2023

Place of the activity : Wada village

No. of students participated : 26

No. of Teachers participated : 3

Beneficiaries : Local Community

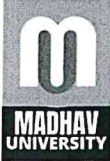

Activity Coordinator : Dr. Pawan

Activity Objectives : The Pragati Path program aims to equip school children with essential skills that foster personal and academic growth, setting them on a path to long-term success. Through interactive workshops and practical training, students develop valuable skills such as critical thinking, communication, teamwork, and problem-solving. The program encourages self-confidence and adaptability, preparing students to face future academic and career challenges. By providing resources and guidance, Pragati Path empowers young learners to recognize their potential, make informed decisions, and pursue their goals with clarity and purpose.

Activity Outcomes : The Pragati Path program results in increased confidence and skill development among students, enabling them to approach academic and personal challenges with greater resilience. Participants gain practical skills in communication, teamwork, and problem-solving, which enhance their readiness for future opportunities. The program fosters a sense of direction and purpose, motivating students to set achievable goals and work steadily toward them. Overall, Pragati Path equips young learners with the tools and mindset needed for lifelong success, inspiring them to take proactive steps toward their aspirations.
