UNIVERSITY**

**MADHAV UNIVERSITY, SIROHI, RAJASTHAN**

**UN Sustainable Development Goals**

## 17 Sustainable Development Goals

Aiming to “Transform the World,” the United Nations introduced 17 Sustainable Development Goals (SDGs) to guide all nations toward building a healthier and progressive future for everyone on the planet.

## Chairman's Message

### **Madhav University and the UN Sustainable Development Goals**

The United Nations Sustainable Development Goals (SDGs) offer a global blueprint for peace, prosperity, and the protection of our planet. At Madhav University, we fully embrace this vision and are committed to driving positive change through inclusive education, social responsibility, and sustainable innovation.

Through the Madhav Centre for Sustainability Development (MCSD), we strive to implement these global goals at the grassroots level. Situated in the tribal heartland of Rajasthan, our mission goes beyond academic excellence—we aim to empower communities, promote good health and well-being, ensure quality education for all, and foster environmental sustainability. These goals are not just ideals; they are actions we integrate into every facet of university life.

Together, as educators, students, and changemakers, we stand united with the global community in building a more equitable, resilient, and sustainable future for everyone, everywhere.

**Prof. (Dr.) Rajkumar Rana**  
**Chairman**  
**Madhav University**

# **Madhav Centre for Sustainability Development (MCSD)**

**Sensitize. Sustain. Serve.**

At Madhav University, located in the tribal heartland of Sirohi, Rajasthan, we believe that true education goes beyond classrooms—it must uplift communities and contribute to sustainable development. Guided by the core principles of the United Nations Sustainable Development Goals (SDGs) and rooted in the values of People, Planet, Prosperity, Peace, and Partnership, we have established the Madhav Centre for Sustainability Development (MCSD) as a dedicated platform for driving transformative change.

MCSD focuses on nine key SDGs that align closely with the university's mission: No Poverty, Zero Hunger, Good Health and Well-being, Quality Education, Gender Equality, Industry, Innovation, and Infrastructure, Reduced Inequalities, Climate Action, and Life on Land.

In our tribal and rural setting, Madhav University has made equity and accessibility central to its vision. We actively support Quality Education through scholarships and fee waivers for students from disadvantaged backgrounds, ensuring that financial limitations do not obstruct academic opportunity. For children with special needs enrolled in our Special Education School, we provide free transportation—recognizing the importance of inclusive infrastructure and support systems.

To address Good Health and Well-being, the university regularly conducts free health camps and awareness programs, focusing on preventive care, hygiene, mental health, and community wellness. These are complemented by rallies and community outreach efforts that advocate for better health and social inclusion.

Tackling Zero Hunger, we provide free meals once a week to support students who may face food insecurity, reinforcing our belief that no one should go hungry in the pursuit of learning. Our efforts also extend to raising awareness about nutrition and sustainable agriculture, especially relevant in our agrarian and tribal surroundings.

In our commitment to grassroots engagement, Madhav University has adopted six villages— Wada, Bharja, Bhujela, Kasindra, Amthala, and Achpura—where we conduct regular health camps, educational activities, and development programs to uplift and empower rural populations through sustained, community-driven initiatives.

Our environmental initiatives are rooted in action-oriented learning. Through tree plantation drives, eco-awareness programs, and campus sustainability efforts, we actively promote Climate Action and care for Life on Land. The campus itself is being developed with environmental consciousness, incorporating green practices that reflect our commitment to sustainability.

With the launch of MCSD, Madhav University has formally taken up the responsibility to integrate these nine SDGs into all aspects of university life. By doing so, we empower students to become not just learners, but leaders—ready to address real-world challenges with knowledge, empathy, and purpose.

At Madhav University, sustainability is not just an ideal—it is a continuous commitment to build a just, inclusive, and empowered future, especially for the marginalized and underserved communities we proudly serve.

**Vision**

To become a transformative hub for sustainable development through inclusive education, innovative research, and community-centered solutions, contributing meaningfully to the realization of the United Nations Sustainable Development Goals (SDGs) at local, national, and global levels.

**Mission**

The mission of the Madhav Center for Sustainability Development is to promote awareness, education, and action towards sustainable development through inclusive learning, research, and community engagement. The center aims to equip students, faculty, and communities with the knowledge and skills needed to support the United Nations Sustainable Development Goals (SDGs). By encouraging innovation, ethical values, and collaboration, the center strives to contribute to a healthier, more equitable, and environmentally responsible future for all.

**United Nations Goal No: 9**

**Industry, Innovation, and Infrastructure**

# 9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

At Madhav University, through the Madhav Centre for Sustainability Development (MCSD), we actively support the United Nations Sustainable Development Goal 9 “Industry, Innovation, and Infrastructure”. We believe that building resilient infrastructure, promoting inclusive and sustainable industrialization, and fostering innovation are essential to long-term progress, especially in underdeveloped and tribal regions.

Our initiatives under this goal are strategically implemented both within the university campus and across rural outreach areas, ensuring that technological advancement and industrial awareness are accessible to all.

- **Application of Renewable Energy Resources:** Madhav University promotes the use of sustainable and eco-friendly technologies through active implementation of water harvesting systems, solar energy panels, and a biogas plant on campus. These practices serve as live demonstration models for students and visiting communities, encouraging environmentally responsible development in surrounding rural areas.
- **Industry Visits:** We regularly organize industry visits for students, providing them exposure to real-world industrial operations, manufacturing units, and advanced technical processes. These visits bridge the gap between theoretical knowledge and practical understanding, preparing students for dynamic professional environments.
- **Introduction to New Technology and Systems:** Through seminars, hands-on workshops, and expert talks, students and community members are introduced to modern technologies and systems such as smart devices, automation, agri-tech, and green innovations. These sessions enhance awareness and skill-building, especially among rural youth.
- **Incubation Centre:** Our university-based Incubation Centre nurtures entrepreneurial ideas by providing guidance, mentorship, and resources for startups. Students and community members with innovative ideas are encouraged to develop viable business models, fostering a culture of innovation and local enterprise development.

By integrating renewable practices, promoting industrial awareness, and supporting innovation both on campus and in rural areas, Madhav University ensures that infrastructure and technology serve as tools of empowerment and sustainable growth. Through MCSD, we continue to create an ecosystem where innovation thrives and inclusive development becomes a reality for all.

## Activity Report

**Name of the activity:** Promoting self-reliance and industriousness in rural areas fostering community empowerment at Bhujela village

**Organized by:** NSS Unit and Faculty of Commerce and Management

**Date:** 13/11/2023

**Place of the activity:** Bhujela village

**No. of students participated:** 30

**No. of Teachers participated:** 4

**Beneficiaries:** Local Community

**Activity Coordinator:** Dr. Ganga Singh Chouhan, Dr. Khushboo Sharma

**Activity Objectives:** The objectives of promoting self-reliance and industriousness in rural areas at Kasindra village focus on fostering community empowerment through various initiatives. The program aims to equip residents with practical skills and vocational training that enhance their employability and entrepreneurial capabilities, encouraging economic independence. It seeks to instill a strong work ethic and a sense of responsibility among community members by engaging them in productive activities and self-sustaining projects. Additionally, the program aims to strengthen community bonds by promoting collaborative efforts and mutual support among residents.

**Activity Outcomes:** The outcomes of the initiative to promote self-reliance and industriousness in Kasindra village include a significant boost in community empowerment and economic independence. Residents have acquired practical skills and vocational training, enhancing their employability and entrepreneurial potential. The community now exhibits a stronger work ethic and a greater sense of responsibility, with many individuals engaging in productive, self-sustaining activities. Collaborative efforts and mutual support among residents have strengthened community bonds, fostering a supportive and cohesive environment.

## Activity Report

**Name of the activity :** Empowering Minds: Fostering Harmony in Rural Communities

**Organized by :** NSS UNIT 1 & 2 & Faculty of Law & Faculty of Humanities and Social Sciences

**Date :** 13/04/2023

**Place of the activity :** Ore village

**No. of students participated :** 28

**No. of Teachers participated :** 5

**Beneficiaries :** Local Community

**Activity Coordinator :** Dr. Sudha Pandey, Dr. Devendra Muzalda

**Activity Objectives :** The objectives of the "Empowering Minds: Fostering Harmony in Rural Communities" initiative are to enhance social cohesion and promote peaceful coexistence among rural residents. The program aims to address and resolve interpersonal conflicts, encourage mutual understanding, and build strong community ties through dialogue and collaborative activities. It seeks to provide tools and strategies for effective communication, conflict resolution, and community engagement. Additionally, the initiative focuses on fostering a sense of unity and collective responsibility, empowering individuals to contribute positively to their community's well-being and overall harmony.

**Activity Outcomes :** The outcomes of the "Empowering Minds: Fostering Harmony in Rural Communities" initiative include enhanced social cohesion and reduced conflict within the community. Participants develop improved communication skills and conflict resolution techniques, leading to more harmonious interactions and stronger community bonds. The initiative fosters a greater sense of unity and collaboration among residents, promoting a supportive and inclusive environment. Overall, the program contributes to a more peaceful and cooperative community atmosphere, empowering individuals to work together effectively and positively impact their rural surroundings.

## Activity Report

**Name of the activity :** Suraksha Circle: Building Safer Communities

**Organized by :** NSS UNIT 1 & 2 & Faculty of Law

**Date :** 09/01/2023

**Place of the activity :** Pindwara village

**No. of students participated :** 26

**No. of Teachers participated :** 4

**Beneficiaries :** Local Community

**Activity Coordinator :** Mr. Sujeet Jha, Mr. Shivam Gupta

**Activity Objectives :** The Suraksha Saptah initiative aims to empower individuals with essential knowledge and skills across multiple areas of safety, emphasizing that every life is valuable (Jeevan Suraksha). Through activities focused on Parayavaran Suraksha (environmental protection), Cyber Suraksha (digital safety), Swasthya Suraksha (health and wellness), Aarthik Suraksha (financial security), Swayam Suraksha (personal safety), and Samajik Suraksha (social responsibility), the program encourages participants to adopt safe, responsible behaviors. The overarching goal is to build a more resilient, informed community where individuals can protect themselves, others, and their surroundings.

**Activity Outcomes :** The outcomes of Suraksha Saptah include a heightened awareness and practical skills across diverse safety domains, instilling a deep appreciation for life's value (Jeevan Suraksha). Participants gain actionable knowledge in environmental stewardship, cyber security, health maintenance, financial prudence, personal safety, and community responsibility. Equipped with these skills, individuals are better prepared to make informed decisions, proactively manage risks, and support one another. The program fosters a culture of vigilance and resilience, contributing to a safer, more connected community where lives are valued and protected.

## माधव विवि में सुरक्षा सप्ताह प्रारम्भ

जागरूक टाइम्स संवाददाता  
पिण्डवाड़ा। भुजेल हाईवे स्थित  
माधव विश्वविद्यालय में पांच  
दिवसीय सुरक्षा सप्ताह का  
आयोजन हुआ। विश्वविद्यालय  
के रजिस्ट्रार जे.बी. शर्मा ने  
प्रारम्भ करते हुए कहा कि  
मानव जीवन ईश्वर की अमूल्य  
निधि है।

इसकी सुरक्षा का प्रयास हमें  
स्वयं करना चाहिए जिससे जीवन  
आनंदमय व्यतीत हो सके।  
एक्सटेंशन गतिविधि की डॉ.  
विदुषी आमेटा ने बताया कि  
राष्ट्रीय सुरक्षा परिषद द्वारा  
निर्देशित नियमों का अनुसरण  
करते हुए विश्वविद्यालय में सुरक्षा  
सप्ताह का आयोजन हो रहा है।  
सड़कें तहत स्वसुरक्षा, पर्यावरण  
सुरक्षा, जीवन सुरक्षा, आर्थिक  
सामाजिक सुरक्षा तथा साइबर

सुरक्षा जैसे जीवन के विविध  
क्षेत्रों से सम्बन्धित खतरों एवं  
बाधाओं के समय सुरक्षा के लिए  
किए जाने वाले कार्यों के लिए  
जनचेतना जाग्रत करने का कार्य  
किया जाएगा।  
सुरक्षा सप्ताह के पहले दिन

एक्सटेंशन गतिविधि के सदस्य  
अमृतलाल जीनगर एवं विनोद  
श्रीमाली के नेतृत्व में आंबूरोड  
शहर के विविध स्थानों पर सड़क  
सुरक्षा का संदेश देने वाले  
हॉर्डिंग्स लगाए गए। शहर के  
मुख्य स्थलों तलहटी चौराहा,

साई बाबा मंदिर रोड, मानपुर  
चौराहा, दरबार स्कूल रोड, बस  
स्टेशन एवं रेलवे स्टेशन आदि  
पर यातायात नियमों का उल्लंघन  
करने वाले हॉर्डिंग्स प्रदर्शित किए  
गए हैं।

जिससे शहरवासियों एवं  
यात्रियों को सड़क दुर्घटना से  
बचने का संदेश प्राप्त हो।  
इस अवसर पर सड़क पर होने  
वाली दुर्घटनाओं से स्वयं की  
सुरक्षा करने का संदेश देने वाले  
पेम्पलेट भी वितरित किए गए।  
विधि विभाग की विद्या शक्तावत  
की ओर से निर्मित इस संदेश-में  
भावनात्मक संवैग जगाकर  
यातायात नियमों का पालन करने  
का अनुरोध किया गया। इन  
कार्यक्रम में विश्वविद्यालय के  
सहकर्मियों गणेश, प्रवीण एवं  
हीरालाल का विशेष सहयोग  
रहा।

## Report

**Name of the Activity:** Awareness program on energy and water conservation

**Organized by:** NSS UNIT -1 & 2 and faculty of Engineering and Technology

**Date of Activity:** 20/1/2020

**Place of the Activity:** Mount abu

**No. of Students Participated:** 18

**No. of Teacher Participated:** 05

**Beneficiaries:** Local Community

**Activity Coordinator:** Dr. Devendra Muzalda

**Purpose of the Activity:** This program will raise awareness to reduce water usage and energy consumption for a Sustainable future.

**Description:** This program will raise public awareness of the problem of climate change in india as well as the many practical opportunities Serbs have to save water and energy, which increasingly means saving money as well as saving the planet.

The NSS Unit s conducted a program for conservation of water and energy". on 20<sup>th</sup> Jan, our conducted a write up competition on suggesting methods for Rain water harvesting . Our Unit received almost18 entries and all actively participated. NSS Unit had released posters to spread the importance of on energy and water conservation and to aware everyone that lot of countries are facing water scarcity and we should not waste water.

**Outcomes of the Activity:** The objective to celebrate this program is to drive mass awareness about the importance of energy efficiency and water conservation.
