Faculty Development Program
on Manuscript Writing and Publication
Date: June 23, 2025

📖 Background:
In continuation to the International Conference on Intelligent Information Systems Design and Indian Knowledge System Applications (ICISDIKSA-2026), the Faculty of Engineering and Technology at Madhav University is organizing a one-day FDP to strengthen manuscript writing and publishing skills among faculty.

◎ Objectives:
- Strengthen academic writing and research communication.
- Understand the manuscript lifecycle from drafting to publishing.
- Foster a strong research-oriented academic environment.

ⓘ Program Details:
- **Who can attend:** Faculty members from all disciplines.
- **Nominal Fee:** 75/- (includes refreshments and certificate).
- **Venue:** Madhav University Campus, Pindwara.

👤 Organized by:
Dr. Preenon Bagchi, Dean, Faculty of Engineering and Technology
