## OUR VISIONARY LEADER

### PROF. (Dr.) RAJ KUMAR

**FOUNDER & CHAIRMAN**  
**Madhav University**

With a vision to provide higher education to the down trodden youths of the society in the Tribal area I selected the area in the district Sirohi of Rajasthan and established the University. Establishing a centre for higher learning for providing academic and professional excellence in the field of social, technological, business and well being needs of the Society, somehow fulfill my vision.

The mission of Madhav University is to offer quality education supported by world-class infrastructure. We are committed to providing state-of-art facilities, modern classrooms and cutting-edge technology to enhance the learning experience. Our infrastructure is designed to facilitate research, innovation and practical skill, development, ensuring that students are well-equipped for success in their chosen fields.

Working as a Chairman of Madhav University a unique opportunity and a challenge has come before me to meet the aspirations and expectations of all stake holders in the functioning of the university. The students are being groomed to not only become highly professionals but also good human beings. Our course on life skills has been very well received by the students and is helping them achieve “Excellence in Life”.

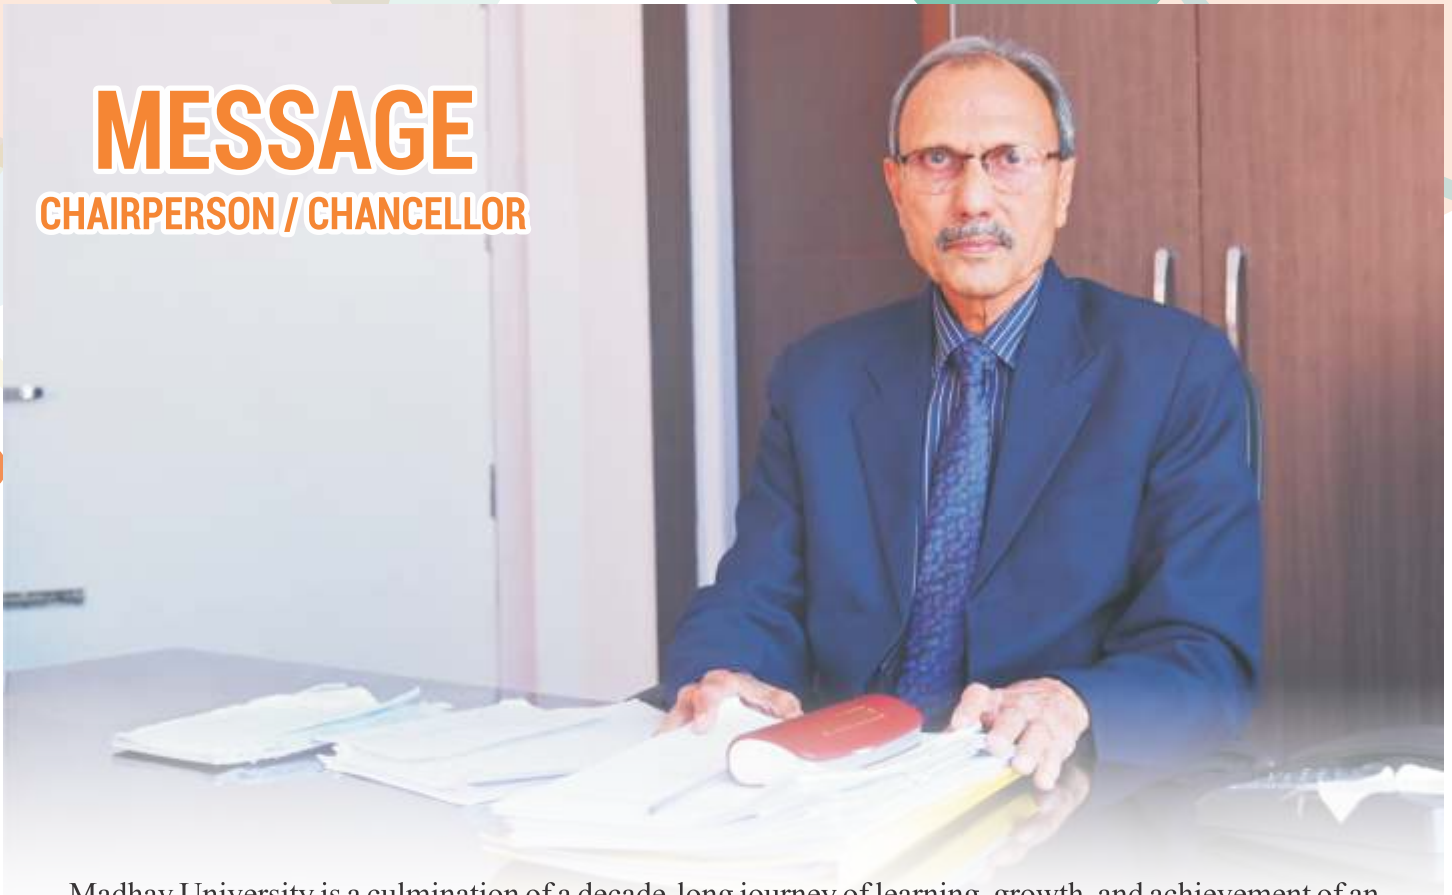

The increasing number of students every year is a testimony to the superior quality of skill as well as outcome based teaching. The University uses state of the art technology for administrative efficiency at the level of admission, examination, declaration of results etc. University is proud of its team of teaching, non- teaching and other supporting staff who are passionately providing the best of cooperation to the students.

I on behalf of the University invite the prospective students and their parents to visit the campus to interact with our highly qualified faculty to know more about the courses as well as for career counseling and free-ship etc. being provided to the poor and deserving students.

**Prof.(Dr.) Raj Kumar Rana)**

## CHAIRPERSON / CHANCELLOR

Madhav University is a culmination of a decade-long journey of learning, growth, and achievement of an educational Institution that has successfully cultivated an environment, promoting physical, mental, and spiritual well-being among the people of our nation. The vast energy of our youthful Nation, having more than 50% of its population below the age of 25 years, is finding creative outlets in various fields such as entrepreneurship skills, governance and in education specially the professional courses. Considering the importance of Higher Education and the trained human resources, Madhav University was established in 2013 with a pro-poor, pro-women and pro-nature approach which aims to educate and train the youth of our country with an entrepreneurial mindset, raising their socio-economic conditions, particularly in the tribal and rural communities of Rajasthan and the country.

Surrounded by lush green Aravali Hill Ranges and alongside the Banas River, Madhav University has become a beacon of learning excellence, achieving global standards in education, research, and innovation. With state-of-the-art infrastructure, innovative curricula aligned with the National Education Policy-2020, and student-centered learning methods, Madhav University remains at the forefront in education at the national and International level. We understand our responsibility to our students and society, firmly believing that the academic success of our youth is crucial for the progress and sustainability of a society.

Joining us means becoming part of an institution designed for both the young and the young at heart, contributing to the nation's development where every individual commands self respect and respect for each other. Together, let's join hands for this rewarding journey beyond the social, economic, and geographical boundaries to transform the lives of diverse students academically, professionally and socioeconomically, and to grow as responsible citizens and better human beings, live a novel life, love their country and be loyal to the nation.

As the Chancellor of Madhav University, I am resolute to elevate this institution to a world-class center for excellence in learning, providing quality education with human values and professional ethics.

Best Wishes

**Prof. (Dr.) Satyendra Nath Sharma**

# ABOUT THE UNIVERSITY

## VISION:

Establishing a learning center of academic and professional excellence on a global scale to fulfill the societal, technological, business, and well-being needs of society.

## MISSION:

To empower youth academically, professionally, and ethically, particularly rural youth, utilizing state-of-the-art technology/systems, proven and innovative concepts, outstanding infrastructure, internationally recognized facilitators, and disseminating quality education across multidisciplinary fields with a special focus on research and innovation for future advancements.

Madhav University is a premier institution of higher learning in Rajasthan. Established in 2013 as a multi-disciplinary State Private University by Rajasthan Govt. Ordinance No. 29, it was duly approved by the State Legislature Act No. 07 of 2014 and notified and approved by UGC under section 22 of the UGC Act, 1956. The university offers education and research programs in diverse fields including Agriculture, Allied Health Sciences, Basic & Applied Sciences, Commerce and Management, Education and Physical Education, Engineering and Technology, Medical Sciences (BHMS), Humanities and Social Sciences, Law, and Pharmaceutical Sciences. Before starting any course, necessary approval from regulatory bodies such as Pharmacy Council of India, Bar Council of India, National Council for Teacher Education, National Commission for Homoeopathy, and RCI is sought. The university has a sprawling green campus spread over more than 150 Bighas.

Presently, students from all over India and abroad are studying at the university. Highly experienced and qualified faculty members, who form the backbone of the university, continuously engage in maintaining and enhancing a student-centric learning environment through innovative pedagogy. MU has implemented the Learning Outcome Based Curriculum Framework (LOCF) as per National Education Policy-2020 to enhance the knowledge, employability, skills, cultural, and ethical values of students. One measure of its reputation is the high quality of research produced in traditional and modern disciplines. In sports and cultural achievements, Madhav University is the leading institution in the state. The university's students have showcased their talent in sports by winning medals at the national level.

The university offers various facilities to its students, including separate hostel facilities for girls and boys, air-conditioned accommodations for international students, a central library along with departmental libraries, a reading space for 500 students, smart classrooms, online resources, video conferencing rooms, language labs, auditoriums, health centers providing homoeopathic, physiotherapy, and paramedical treatment, shopping complexes, ATMs, and sports and cultural activities facilities. Additionally, the university has established a school for differently-abled students, named "Madhav Special School for CWSN & Rehabilitation Centre," equipped with all necessary facilities such as lifts, ramps, toilets, wheelchairs, special vans, and caregivers, as per norms required for differently-abled persons.

## TRIVING FOR EXCELLENCE

Over the past 10 years, Madhav University has grown in stature and recognition for its commitment to excellence in teaching and research. Since its establishment in 2013, the university has awarded degrees to students in Certificate/Diploma/UG/PG/Ph.D. across various disciplines during the convocations held on 14.04.2018, 07.10.2019, 09.02.2022, 27.02.2023, and 09.10.2023, respectively.

Data of all graduating students has been uploaded to the National Academic Depository (NAD Portal). As of the 5th Convocation held on 09.10.2023, the university has produced approximately 233 Ph.D. graduates in different disciplines, with over 400 students currently registered for research under the guidance of qualified faculty members. Madhav University is widely recognized for its dedication to providing quality education and fostering excellent research.

## CO-CURRICULAR ACTIVITIES/SPORTS

Madhav University is widely recognized for its commitment to imparting quality education and fostering excellence in sports at the national level. Sports play a vital role in developing personal and social values crucial in the educational journey of children and teenagers. It serves as a platform where players learn values like commitment, discipline, perseverance, self-confidence, teamwork, and the ability to compete, along with managing success and failure.

Understanding the importance of sports, Madhav University has integrated them as an integral part of its educational structure since the approval of Physical Education courses by the NCTE. The university takes pride in its achievements and awards in various sports disciplines, including cricket, wrestling, athletics, archery, powerlifting, cross country, basketball, chess, tug of war, boxing, grappling, volleyball, judo, netball, kabaddi, yoga, American football, weightlifting, softball, mini-golf, pencak silat, rope skipping, WUSU, karate, shooting, and kickboxing, among others.

## Supporting International Students

In the era of globalization, the University aims to establish a global presence through the internationalization of its programs and fostering new avenues of collaboration for the global student community. To assist international students, the University has established an International Students' Office, headed by the Director of International Affairs. This office aids international students in understanding the admission procedures for various university programs, obtaining visas for admissions, and facilitating their integration into and comfortable living within the new environment. Additionally, the University has established air-conditioned hostel facilities for the convenience of international students.

## Internal Complaints Committee (ICC) against Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal)

Madhav University is committed to providing all women with a workplace and study environment free from sexual harassment, intimidation, and exploitation. It is expected that all students, faculty, staff, karamcharis, and officials treat each other and visitors to the University with respect. Reports of sexual harassment are taken seriously and dealt with promptly. Madhav University maintains a zero-tolerance policy towards sexual harassment of women, and strict action is taken against anyone found guilty of such behavior.

Sexual harassment can manifest in various forms, ranging from subtle and indirect to blatant and overt. Examples include unwelcome physical contact and advances, demands or requests for sexual favors, making sexually colored remarks, showing pornography, or any other unwelcome physical, verbal, or nonverbal conduct of a sexual nature.

The Madhav University Policy against Sexual Harassment of Women at the Workplace (Prevention, Prohibition, and Redressal) for the year 2022 is available on its website: [www.madhavuniversity.edu.in](http://www.madhavuniversity.edu.in). This policy is in compliance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act.

**Anti-Ragging Cell/Squads:** Constituted in compliance with UGC Regulations, necessary facilities have been arranged accordingly.

**Student Grievance Redressal Committee (SGRC):** (Proctorial Board) in terms of UGC (Redressal of Grievances of Students) Regulations, 2023, has been constituted and functioning.

## RESEARCH AND DEVELOPMENT CELL

As per the guidelines outlined in NEP-2020 and directions from the UGC, a Research & Development Cell has been established in the University, consisting of the following Committees:

**I. Finance & Infrastructure.**

**II. Research Programme Policy Department.**

**III. Collaboration and Community.**

**IV. Product Development, Monitoring, and Commercialization.**

**V. IPR Legal & Ethical Matters.**

## INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) of the University was established in 2016 and has been working towards the realization of the goals of quality enhancement and sustenance. It continuously strives to develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the University. The aim is to channelize all efforts and measures of the University towards promoting a 'Quality Culture' leading to holistic academic excellence. This is achieved through the involvement of students, parents, teachers, administrative staff, and other stakeholders. The IQAC operates under the Chairmanship of the President, with representation from faculty, administration, alumni, and external experts as its members. It conducts meetings from time to time to discuss various issues and actively engages in matters related to curricular aspects, teaching-learning and evaluation, research/consultancy, student support and progression, examination reforms, etc. In 2022, the IQAC played a major role in several activities aimed at improving the academic and administrative performance of the University: Strengthening the feedback system in the revision of syllabi. Involvement in revising the rules and regulations/guidelines for promoting academic integrity and preventing plagiarism in Madhav University. Collection and compilation of data for participation in NIRF-2022. Monitoring the teaching-learning process through a student feedback system, with data being collected, analyzed, and discussed in the academic bodies of the University. Implementation of "Madhav University Guidelines for Program Outcomes, Program Specific Outcomes, Course Outcomes and their Attainment" in the University. Establishment of a central research and training facility on the campus. Recommendation for the constitution of committees on various issues to promote a quality culture on the campus. Involvement in the ongoing process of implementing an ERP solution for all functional areas of the University for effective e-governance. Establishment of research, training, and innovation hubs including incubation centers for Skill Development, Entrepreneurship, Corporate Resource, and Sports on the University campus.

## NSS AND STUDENTS' SUPPORT SERVICES

The University has been working towards accreditation by assessing its progress towards academic excellence across various aspects including Curricular Aspects, Teaching-Learning and Evaluation, Research, Consultancy and Extension, Infrastructure and Learning Resources, Students' Support and Progression, Governance, Leadership, and Management, Innovations, and Best Practices.

To facilitate this, the Office of the Proctor/Dean, Students' Welfare has been established to oversee a range of facilities and opportunities for students. These include cultural, sports, NSS, and Youth Red Cross activities conducted by the University Teaching Departments and Institutes on campus. The office maintains communication with students regarding their needs and other welfare activities, issuing bus and train passes, organizing educational/study tours, and providing support for extension lectures and other student programs. Additionally, the office offers financial assistance to differently-abled students for transportation on campus and supports needy students through the Earn While You Learn Scheme, allowing them to work in their Departments/Institutes on a token payment basis.

## ALUMNI ASSOCIATION :

The 1st Alumni Meet was conducted on 18.12.2022, with more than one thousand pass-out students participated. They enthusiastically reunited with old colleagues and faculty members, many of whom are now well-placed. The 2nd Alumni Meet was held on 11.10.2023, with about 1000 alumni participated. The event featured a get-together and interaction between new and old students. To entertain the attendees, a renowned Gujarati singer, Ms. Geeta Ben Rebari, was invited, and the audience enjoyed her performance.

Other students also participated in various programs. Alumni were honored with Certificates and Medals by the Hon'ble Chairman.

## WELFARE SCHEMES :

Swachh Bharat Abhiyan: Under the leadership of NSS units, activities such as Swachh Bharat Abhiyan, plantation drives, and awareness campaigns about government policies are conducted. Adoption of villages: The University has adopted five nearby villages, where NSS teams visit to assist villagers with cleanliness and education awareness. Awareness programs are organized with the help of Village Panchayats. Welfare/Social works:

I) Free medical checkup camps are organized by the Madhav Hospital Staff, providing free medicines to those in need. II) The University hosts a weekly Bhandara on Tuesdays, feeding over 1000 needy individuals. III) Plans are underway to establish libraries, sewing centers, and computer training facilities in the adopted villages to empower youth and foster self-reliance.

## PLACEMENT CELL

**1. Academia-Industry Interface:** - The Placement Cell organizes Executive meets/interaction programs in collaboration of Industry. Few such programs were organized in the reporting year and around 500 students participated in these programmes.

**2. Employment Information:** - The Placement Cell provides job related information to the students. This information is displayed on the notice board of the Placement Cell and also on the notice boards placed at different places in the University. The information is also circulated to the concerned departments for the information of students.

**3. Personality Development:** - Placement Cell organizes programs aimed at over all personality development of the university students. These programmes imbibe essential skills in the students and enhance their employability. Several programmes have been organized during the past in the University and many students participated in these Programmes.

**4. Career Guidance and Counselling, Soft Skills development and Employability Enhancement Training:**

The Placement Cell also provides career guidance to the students for their better employment. The Cell helps the students to prepare for different stages of recruitment and selection drive such as resume-writing, group discussions, mock interview etc.

**5. Entrepreneurship Development:** - The university has established Entrepreneurship Development Club under the Placement Cell and EDC which organizes Entrepreneurship Development programmes to motivate the students for entrepreneurship and self-employments.

**6. Campus Placements Drives:** - The Placement Cell coordinates/organize recruitment drive/campus interviews for university students and more so for the students of professional courses. Several companies/organization have recruited the students and the students have been placed at different level.

# MU INFRASTRUCTURE

## **Academic Blocks / Lecture Halls**

Madhav University has a multistoried academic block which houses different faculties for better coordination and understanding of the course curriculum available for the students for multiple entries and multiple exits, enabling the students to choose, perfectly aligned with the National Education Policy-2020. ## **INSTRUCTIONS AGAINST RAGGING:**

With ten years of its existence, Madhav University has earned recognition as one of the renowned centers of teaching and research in the country. We appreciate the parents and the students for their interest and option towards pursuing their higher studies at Madhav University. We wish them success in their plans towards getting admission in the programme of their choice on the campus. Those who succeed in joining a programme, should be making best use of the excellent facilities and congenial atmosphere available in the University towards all-round development of their personality. We would expect our students to make best use of this opportunity and grow as able and responsible citizens. Students will be required to work hard with their energies focused towards achieving their goal.

We take pride in informing all those desirous of seeking admission, that overall these years, our University has the best traditions of maintaining a healthy and congenial academic environment. We are also glad to convey that with the determined and sincere efforts of our senior students and faculty, our campus has been free from the menace of Ragging.

Deans/Directors/Heads/Principals of all the University Teaching Departments/Institutes /Colleges to ensure that every student and their parents be asked to submit an online undertaking every academic year to the effect that the concerned student will not take part in any activity leading to Ragging of junior students.

### **What Constitutes Ragging:**

Ragging constitutes one or more of any of the following acts:

- a. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness afresh or any other student;
- b. indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;
- c. asking any student to do any act which such student will not in the ordinary programme do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- d. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
- e. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students;
- f. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;
- g. Any act of physical abuse including all variants of it: in sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
- h. Any act or abuse by spoken words, e-mails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture of rashes or any other student;
- i. Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.
- j. Any act of physical or mental abuse (including bullying and exclusion) targeted at another student(fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.
- k. All the senior students are advised to guide and treat junior students affectionately.
- l. Junior students may contact their Heads or other University functionaries like Proctor, Dean Students Welfare, Chief Warden, Wardens or Chief Security Officer for help and guidance.
