

From Editor's Desk

Dear Reader,

It gives immense pleasure to welcome you all to explore and publish in our journal, The Madhav Research and Review: A Multidisciplinary International Journal with a view of strengthen the research work at the global level.

We intend to publish research articles, review article, and short communications with main focus on original work and thought. Our objective is to aiding, coordinating, and promoting research and development in the rural area with diversified disciplines. We are also dedicated to promoting research activities and new innovative procedures which help us in updating our knowledge and improving our research temperament.

Our main emphasis is to promote multidisciplinary papers of good quality and we extend our boundaries right from arts, social sciences, commerce, management, engineering, medical sciences to basic and allied sciences. There is a great need to explore innovative ideas and we welcome them to join us on a journey to reach new heights.

We welcome readers' valuable comments to make the necessary and required changes for the betterment of the research work.

The papers received would undergo screening for proper editing by the referee committee so that the level of the paper is checked and proper editing done to maintain the standard.

Finally we thank our editorial team, technical team, authors and well wishers, who are promoting this journal. With these words, we conclude and promise that the standard policies will be maintained.

Prof. Vikas Kaushik
